BRITISH SUSTAIN MR. BONAR LAW

SAYS SOCIALISTS CREATED CRISIS

"Lightheartedly Brought About German Parliamentary Upheaval at Crucial Stage of Reparation Negotiations"

PROSPECTIVE PREMIER IN VIEW NOT NAMED

President Favors Non-Partisan Ministry Composed of Men With Industrial and Economic Training

BERLIN, Nov. 15.—President Ebert was still conferring late tonight with the Reichstag leaders in an effort to reach a solution of the present Government crisis brought about by the resignation of Premier Wirth and his Cabinet.

The President is reported to be strongly in favor of a non-partisan ministry, composed of men with industrial and economic training, who might be recruited from the political parties or so chosen that they would be assured of sufficient parliamentary support to enable the new ministry to carry out the constructive policies demanded by the present internal situation and the reparations question.

Prospective Leader

Herr Ebert is in formal touch with a well known public leader who is not a member of the Reichstag, but who the President believes meets the requirements for the Premiership in a Cabinet composed of experts or professional men.

Neither the Socialists nor the clerical party showed an inclination today to disentangle the political situation. The clericals assert that inasmuch as the radicals had needlessly precipitated the crisis, a solution of the situation logically devolved on them.

The Socialist Candidate

The Socialists announced that they had no candidate for Premier to propose; that they were willing to let "the crisis fever subside" so that the situation might become clarified.

The non-radical press and the leaders of the middle parties continue to rail at the Socialists for allegedly lightheartedly bringing about a parliamentary upheaval in the present stage of the reparations negotiations, although it is conceded by them that any new Cabinet in which the radicals are not given active participation would be short lived.

Dr. Wirth's reappearance at the head of a new ministry is not reckoned upon, as both the Socialists and the people's party consider him no longer available from a practical standpoint.

CHILDREN ON LIST

SEVERAL WERE ABLE TO VOTE THROUGH ERRORS

Lincoln Centenarian Also Records Ballot—Numerous Foreigners Were Entitled to Vote

LONDON, Nov. 15.—The spectacle of children casting ballots at an election was witnessed in several cases in England today. This was possible under the law which provides that if a name is placed on the register of voters, even if mistakenly, it must stand unless challenged before election day.

This year, as in the past, numerous foreigners residing in England found their names on the register and therefore were entitled to vote.

As contrasted with the children voting was the recorded vote of Mrs. Mary Foley, of Lincoln, who celebrated her 100th birthday last May.

FIRST RESULT KNOWN, CONSERVATIVE WINS

LONDON, Nov. 15.—The first result in the British election today was that for the Wakefield division, where Mr. G. Ellis, Conservative, was elected with 10,416 votes over Mr. Albert Bellamy, Labor, with 8,978 votes. This constituency was represented in the last Parliament by Colonel Sir E. A. Brotherton, Coalition Unionist.

Another early result was that in the Wallasey division, where Sir R. B. Chadwick, Conservative, was elected with 17,508 votes over Mr. A. Morris, Labor, with 9,984 votes. This represents a heavy gain in the Labor vote. There was no Liberal candidate and it was assumed that many of the Liberals voted for the Labor nominee.

MR. ASQUITH ELECTED WITH LESS MAJORITY

LONDON, Nov. 15.—Herbert H. Asquith was re-elected in Paisley, his majority greatly reduced. He received 15,005 votes, and his Laborite opponent, J. M. Biggar, 11,902.

MONEY IS VOTED TO BRIDGE SYDNEY HARBOR

SYDNEY, N.S.W., Nov. 15.—A bill has been passed by both houses of parliament authorizing construction of a bridge across Sydney Harbor to cost £5,000,000.

Budget Speech In Legislature Comes Friday

THE Budget Speech will be delivered in the Legislature on Friday afternoon, Hon. John Hart, Minister of Finance, stated last evening.

The Minister at first announced that he would deliver his effort, the chief pronouncement during the session, this evening, but shortly afterward he corrected this statement and made it for Friday afternoon.

There was considerable speculation as to why the sudden change should have been made in view of the fact that the estimates for the coming fiscal year were ready, and their printing has been the only reason why the speech has not hitherto been delivered.

CAMPAIGN FOR COMMUNITY CHEST IN FULL SWING

Business Men of Victoria Control the Fund—Will Visit Stores This Morning

Encouraging reports of the progress of the Community Chest campaign have reached the offices of the organization, and it has been a source of gratification to the directors of the fund that many have sent unsolicited contributions to the Chest through the mail. The returns coming into the office have thus far been those outside the business district, which, however, will be invaded by canvassers this morning.

The Victoria Community Chest is incorporated under the Benevolent Societies Act, and is organized to provide for the maintenance of the city's charitable, welfare, and character building institutions. The objective of the Chest has been set at $86,600, which amount will be appropriated among the Amputation Association, Boy Scouts, Girls' Club, Dr. O. M. Jones Chapter, Navy League, Protestant Orphanage, Red Cross Society, Victoria Seamen's Institute, Social Service Committee, Soldiers' Relief Committee, St. Vincent de Paul, Victorian Order of Nurses, W. A. to Jubilee Hospital and the Y.M.C.A.

Representative Body

The campaign is being conducted by a number of prominent business men of the city. The patrons of the Chest are Lieutenant-Governor W. C. Nichol, Premier John Oliver, Hon. W. J. Bowser, K.C., M.P.P., Mayor Marchant, Reeve Watson, of Saanich; Reeve Drake, of Oak Bay, and Reeve Lockley, of Esquimalt; Right Rev. Bishop Schofield, Right Rev. Bishop MacDonald, and the Rev. Dr. W. G. Wilson, M.A., president of the Ministerial Association.

Mr. George McGregor is president of the Chest, and is being assisted by Alderman Reginald Hayward, as vice-president, Lieut.-Col. Lorne Ross, secretary, and General R. P. Clark, treasurer. The board of directors consists of Messrs. Jack L. Clay, William S. Day, Alderman Robert A. C. Dewar, Benjamin C. Nicholas, J. D. O'Connell, A. C. Flumerfelt, James Forman, Mark W. Graham, William M. Ivel, F. W. Jones, H. I. Mallek, Harold M. Diggon, Reeve S. J. Drake, C. H. O'Halloran, J. A. Sayward, J. W. Spencer and Dr. W. M. Thomas.

Answers Questions

The secretary of the Chest last night informed The Colonist that the question has been asked why the Salvation Army and Friendly Help Society had not entered the Community fund. Colonel Lorne Ross stated that "when the Chest was first organized the local commandant of the Salvation Army was invited to join the fund. After consultation, an adequate budget was decided for their work, but the matter, however, had to be referred to the new Salva-

CONSERVATIVES ARE RETURNED BY CLEAR MAJORITY OVER ALL

Wins 152 Seats in 264 Returns Against 112 Assigned to All Other Parties—Labor Has 63 Winners With Scottish Constituents Still to Be Heard From

PREMIER'S OPPONENT MAKES VERY POOR RUN

Mr. Asquith Returned With Much Reduced Majority—Lieutenants of Both Liberal Leaders Go Down to Defeat, While Party Successes Are Small—Only 23 Asquithian Liberals Elected

LONDON, Nov. 15.—Features of the returns up to this hour are the gains scored by Labor and the poor showing made by the Independent Liberals under the banner of former Premier H. H. Asquith. Mr. Asquith was returned in Paisley with a much reduced majority, but many of his lieutenants fell by the wayside.

Premier Wins Easily

Sir George Paish, the Asquith candidate opposing the Premier, Bonar Law, in Glasgow, made a very poor run. With 43 per cent of the returns in, there are only 23 Independent Liberals elected out of 323 candidates in the field. The Asquithians numbered 35 in the last House. Of 264 returns, the Conservatives have 152 seats.

Sixty-Three Labor Men

Labor already has sixty-three winners, with most of the Scottish constituencies where they were expected to run strong, to be heard from. The leaders of the party, including Mr. J. R. Clynes and Mr. Ben Tillet, have been returned. So far the party has won about a dozen seats from the other groups and have lost only two or three. The defeat of the party nominee by an Independent-Labor candidate, Mr. John Ward, in Stoke by a large majority, is called by the winner a victory for Labor, but a defeat for the party.

Lloyd Georgians Down

The Lloyd Georgians, with only twenty elected to date out of 133 candidates, is not regarded as a feather in the cap of the former Premier. Lloyd George himself is in by acclamation, and two of his former ministers are also returned. The women candidates are not scoring any surprises, only one, Lady Astor, having won to date.

Hon. J. E. B. Seeley Defeated

Right Hon. J. E. B. Seeley, who was at one time a member of the Lloyd George cabinet, and who commanded a Canadian brigade in the Great War, was defeated in the Ilkeston division of Derbyshire by Mr. George Oliver, Laborite.

LONDON EN FETE ELECTION NIGHT

Scenes of Festivity in English Metropolis Not Equalled Since Armistice Celebration Marking End of War

RETURN TO OLD TIMES IS HAILED BY THRONG

Enthusiasm at Climax to Election Campaign Sends the Crowds Laughing and Cheering Through Streets

(Copyrighted in U.S. by New York Herald)

LONDON, Nov. 15.—Election night inspired in London a scene of festivity which it has not seen since the Armistice celebration which marked the close of the war in 1918. The West End held carnival. The streets were thronged with laughing, cheering crowds which did not seem to care which side was winning, but were ready to cheer anything in the way of a result flashed on the screens in the prominent squares.

Wholesome Enjoyment

In the hotels and cafes the people danced and generally made merry with an air of expectancy, but no figures announced or registered on the screen boards changed in the slightest degree the wholesome enjoyment.

Any Clynes' success was cheered quite as much as a Bonar Law success, while a Lloyd George announcement, whether success or failure, never failed to evoke a demonstration in honor of the little Welshman.

All over London were to be found crowds which did not care which way the election went but were most anxious to celebrate. It has been many years since the metropolis has seen such a happy, carefree night as this.

Marched Through Streets

Toward midnight the singing and cheering groups marched through the streets, but the police did not interfere. What they were cheering for was not quite apparent, for the result was then impossible to guess, but the mere idea that this was a return to the old times seemed to carry London back to the good old days and Londoners met the situation as of old. The West End was gayer tonight than even on the evening it transcended its gaiety during the armistice celebration. Though the campaign was surprising, its climax proved surprisingly enthusiastic.

Everybody was happy, everybody was laughing as a healthy sign of the old times.

ANOTHER EARTHQUAKE; NO DAMAGE REPORTED

SANTIAGO, Nov. 15.—The authorities at Coquimbo reported today that a strong earthquake, followed by a strong tidal wave, was experienced there at 25 minutes after midnight this morning. No further damage was caused. The population was on the alert, and no casualties were reported.

FORMER CHANCELLOR RETURNED TO COMMONS

LONDON, Nov. 15.—Sir Robert Horne, former Chancellor of the Exchequer, was re-elected for the Hillhead division of Glasgow by a substantial majority.

THE FIRST CHANGE

LONDON, Nov. 15.—Great Yarmouth registered the first change in the British election today, the Liberal, Mr. Arthur Harbord, with 9,325, defeating Lieut.-Col. G. de W. Crookshank, Conservative, 8,917, and the Labor candidate, Arthur Whiting, 2,574.

LONDON, Nov. 15.—Mr. John Robert Clynes, one of the most prominent Labor leaders, was elected for the Platting division of Manchester with 15,683; Frank A. Holmes (C), 14,814. Mr. Clynes was unopposed in the last election.

Conservatives Lead by Forty

LONDON, Nov. 16.—The election returns up to 3 o'clock this morning, at which hour 264 constituencies, including acclamations, out of a total of 615 had reported, indicated that the Conservative Ministry formed three weeks ago by Right Hon. Bonar Law, would be returned with a substantial majority over all other groups. Of the 264 returns, the Conservatives have 152, against 112 assigned to the other parties. Labor has 63 seats; Lloyd Georgians 20, and the Asquithian Liberals 23.

GOT US A PENSION

EX-PREMIER BEST KNOWN TO WOMEN VOTERS

Many Were Not Familiar With Mr. Bonar Law or Either of Labor Leaders

LONDON, Nov. 16.—There seemed to be a great difference in the extent to which the women voters in the east end of London were acquainted with the big personalities in the election. One canvasser declared the name of Mr. Bonar Law was as unfamiliar to the women there as the names of the Pharaohs.

Claim to Fame

The Labor leaders, Henderson and Clynes, seemed equally unknown, but Mr. Lloyd George was famous, not as "the man who won the war" but as "the dear thing which got us a pension."

Mr. Lloyd George returned to London in the early afternoon from his speech-making trip and immediately visited polls with his daughter and cast his vote. A friend who met him outside remarked:

"You have set us all a good example, sir. You have worked like a Trojan."

Agrees With Him

"We have to at these times," the ex-Premier replied. Asked if he was worn out, Mr. Lloyd George said: "Not at all; not at all. I'm quite ready for another campaign. This sort of thing suits me," and with a hearty laugh he left for home.

MR. JOSEPH DEVLIN IS BEATEN BY UNIONIST

LONDON, Nov. 16.—Joseph Devlin, formerly representing the Falls division of Belfast, but on his withdrawal from his constituency was made the Nationalist candidate in Exchange division of Liverpool, was defeated. The Conservative, Sir Leslie Scott, polled 15,650; Mr. Devlin 12,814.

CANADIAN CONSERVATIVE WINS

LONDON, Nov. 15.—The Canadian sitting member in the British House of Commons for the Brentford division of Middlesex, Col. Grant Mordan, defeated Mrs. Oliver Strachey, one of the women who had high hopes of election. The vote stood: Colonel Morden, Conservative, 10,150; Mrs. Strachey, Independent, 7,074.

COLONEL BEATS LABOR MAN

LONDON, Nov. 15.—The Asquithian Liberal, Lieutenant-Colonel John Ward, gained a seat in the British House of Commons for Stoke-on-Trent against the Labor candidate, Mr. J. Watts, the vote being 16,855 to 10,722.

WANT ACTION TAKEN

CANADIAN LEGION SAY ORIENTAL QUESTION URGENT

Veterans Seek to Have Coal Delivery at Parliament Buildings by Chinese Discontinued

The Victoria Post of the Canadian Legion last night heartily endorsed the opinion regarding the Oriental problem contained in the resolution submitted in the Provincial Legislature, and strongly urged all members of the House to take such action as will more effectively bring the urgency of the matter before the House of Commons in the interests of the white people of Canada.

The secretary, Mr. H. P. Thorpe, was instructed by the meeting to write the Attorney-General in connection with coal being delivered to the Provincial Government Buildings by Orientals. The Canadian Legion approved the action of the Government as reported in the press to restrict Oriental labor, and will ask the Government if it is not feasible to take steps by which the delivery of Government coal can be made without the employment of Orientals.

That the Dominion Veteran's Alliance had adopted the following resolution regarding amalgamation was announced:

"Resolved that this Dominion Veterans' Alliance, having received complete assurance that the existing veterans' organizations are ready in principle for complete amalgamation, agree that a special committee be appointed to discuss all necessary details in connection with such union. The committee will have power to secure evidence as to liabilities, assets, mortgages, contracts, clubhouses, membership, paid officials, and to obtain legal advice. It will also have power to deal with and report on the question of charters, publications and all, and every consideration must be given to harmonize varying points of view, and will furnish a full report on or before February 10, 1923, to the Dominion Council of the Dominion Veterans' Alliance for consideration and necessary action, at a meeting to be held on or before March 10, 1923."

TURK CONCILIATORY

NOTE FROM ANGORA PRECLUDES DANGER OF WAR

Unfavorable Reception of Kemalist Demands Throughout World Causes Reconsideration

CONSTANTINOPLE, Nov. 15.—Any immediate danger of a rupture between the Allies and the Kemalist authorities seems to have been dissipated today by the receipt by the Allies of a note from the Angora Government declaring that the terms of the Mudania armistice compact would be respected by the Nationalists and that there would be no insistence on the withdrawal of Allied troops from the zones laid down in the Mudania convention.

Was Eagerly Awaited

The note, which had been eagerly awaited for several days, brought relief to the Allied authorities and the population of the capital, who had seriously doubted the good intentions of the Angora Government. It is felt here that the unfavorable reception of the Kemalist demands throughout the world caused them to reconsider their decisions and adopt a more conciliatory attitude.

In diplomatic circles it is felt that the note precludes the danger of war before the conversation of the Lausanne peace conference.

WOMEN KEEN VOTERS

MANY AMONG FIRST ARRIVALS AT BRITISH POLLS

London Policemen Hold Babies Outside Election Booths While Mothers Cast Their Ballots

LONDON, Nov. 16.—The women voters turned out in large numbers in numerous districts, many of them being among the first arrivals, while the majority of the voters during the noon hour were women. Not a few of them succumbed to the temptation to take their dogs to the polls with them. One political agent in Putney estimated that forty per cent of the women were accompanied by their canine pets.

London police, who are world famous for their courtesy, found a new scope for their chivalry in assisting mothers who appeared at the polls with babies in arms. Many of the "bobbies" could be seen standing outside the polling stations holding the offspring of women electors.

In the Eton and Windsor constituencies where one of the Eton masters was the Conservative candidate, an unusual lot of canvassers for votes were out in his behalf.

Eton Boys Canvass

They were Eton boys who scoured about everywhere looking for support for their candidate in their short jackets, Eton collars and silk hats, many of which had seen hard knocks in the school scrimmage.

The fog continued heavy in many places and the mists were so thick in some parts of London that the polling booths had to be artificially lighted all day.

MINING MEN CONFER

REPRESENTATIVE GATHERING IN VANCOUVER

Profits of Mining Corporation Should Be Basis for Taxation in Province Is Point Made

VANCOUVER, B. C., Nov. 15.—With prominent mining men in attendance from Eastern Canada, the United States, Alberta and British Columbia, the annual western meeting of the Canadian Institute of Mining and Metallurgy opened here today. Those in attendance who will take part in the discussions during the three-day session include Dr. Camsell, Deputy Minister of Mines and a former Vancouver man; Mr. J. McLeish, of the Department of Mines at Ottawa; Mr. C. M. Odell, of Glace Bay, N. S.; Prof. Wallace, of the University of Manitoba; Mr. J. A. Campbell, Commissioner of Northern Manitoba; and others familiar in mining circles in Quebec, Ontario and Alberta.

Taxation Changes

Several speakers today urged a change in the system of taxing mining properties. Mr. R. Van Wagenen, of the Canada Copper Corporation, and Valentine Quinn, of the Granby Consolidated, said that profits of mining corporations and not actual tonnage depletion should be the basis for the taxation in the province as in the Federal system.

Industry Suffering

Mr. R. Randolph Bruce, of the Paradise Mine, said that the mining industry in British Columbia is suffering because the Provincial Government was inclined to penalize mines developed with United States capital. The Province, he said, puts "an incubus on money derived from outside sources and we need all the money we can get."

To Extend Membership

A proposal to extend membership in the Mining Institute to practical as well as technical was favored in a paper by Mr. G. C. Mackenzie, secretary of the Institute, which was read by Prof. R. C. Wallace, of Manitoba. A discussion followed pro and con the proposal, which was not finished today.

DISMISS COMPLAINTS AGAINST PICKETERS

WASHINGTON, Nov. 15.—Complaints were dismissed today by United States Commissioner George H. McDonald against Mrs. Muriel MacSwiney and eight other women, who were arrested yesterday on a charge involving their picketing the British embassy in protest against the detention of Miss Mary MacSwiney, sister-in-law of Mrs. MacSwiney and sister of the late Terence MacSwiney, Lord Mayor of Cork.

HUSBAND RETIRED, BUT WIFE FAILED TO WIN

LONDON, Nov. 15.—Lady Cooper, whose husband, Sir Richard Cooper, retired to make way for her and who had made a strong campaign as a Conservative, was defeated in Walsall for a seat in the British House of Commons. Mr. Pat. Collins, Liberal, polled 14,674; Lady Cooper, 14,349, and Mr. Robert Dennison, Labor, 6,946. Lady Cooper was one of the women who was expected to win, aside from party considerations.

EARLY LABOR GAINS

LONDON, Nov. 15.—The first sixteen constituencies to report in the English election showed five gains for Labor, most of these being taken from the Conservative forces, or as they were in the last House, Coalition Unionists. All these gains were obtained in English boroughs.

Right Hon. J. E. B. Seeley, who was at one time a member of the Lloyd George cabinet, and who commanded a Canadian brigade in the Great War, was defeated in the Ilkeston division of Derbyshire by Mr. George Oliver, Laborite.

Conservatives Lead by Forty

LONDON, Nov. 16. — The election returns up to 3 o'clock this morning, at which hour 264 constituencies, including acclamations, out of a total of 615 had reported, indicated that the Conservative Ministry formed three weeks ago by Right Hon. Bonar Law, would be returned with a substantial majority over all other groups. Of the 264 returns, the Conservatives have 152, against 112 assigned to the other parties. Labor has 63 seats; Lloyd Georgians 20, and the Asquithian Liberals 23.

Head of Turkish Peace Delegation Satisfied After Discussions on Near East Situation

PARIS, Nov. 15.—Ismet Pasha, head of the Turkish delegation to the Lausanne peace conference, discussed the Near East situation today with Premier Poincare, and at the conclusion of the interview declared: "My three-quarters of an hour conference with M. Poincare was most satisfactory."

LONDON EN FETE ELECTION NIGHT

Scenes of Festivity in English Metropolis Not Equalled Since Armistice Celebration Marking End of War

RETURN TO OLD TIMES IS HAILED BY THRONG

Enthusiasm at Climax to Election Campaign Sends the Crowds Laughing and Cheering Through Streets

(Copyrighted in U.S. by New York Herald)

LONDON, Nov. 15.—Election night inspired in London a scene of festivity which it has not seen since the Armistice celebration which marked the close of the war in 1918. The West End held carnival. The streets were thronged with laughing, cheering crowds which did not seem to care which side was winning, but were ready to cheer anything in the way of a result flashed on the screens in the prominent squares.

Wholesome Enjoyment

In the hotels and cafes the people danced and generally made merry with an air of expectancy, but no figures announced or registered on the screen boards changed in the slightest degree the wholesome enjoyment.

Any Clynes' success was cheered quite as much as a Bonar Law success, while a Lloyd George announcement, whether success or failure, never failed to evoke a demonstration in honor of the little Welshman.

All over London were to be found crowds which did not care which way the election went but were most anxious to celebrate. It has been many years since the metropolis has seen such a happy, carefree night as this.

Marched Through Streets

Toward midnight the singing and cheering groups marched through the streets, but the police did not interfere. What they were cheering for was not quite apparent, for the result was then impossible to guess, but the mere idea that this was a return to the old times seemed to carry London back to the good old days and Londoners met the situation as of old. The West End was gayer tonight than even on the evening it transcended its gaiety during the armistice celebration. Though the campaign was surprising, its climax proved surprisingly enthusiastic.

Everybody was happy, everybody was laughing as a healthy sign of the old times.

ANOTHER EARTHQUAKE; NO DAMAGE REPORTED

SANTIAGO, Nov. 15.—The authorities at Coquimbo reported today that a strong earthquake, followed by a strong tidal wave, was experienced there at 25 minutes after midnight this morning. No further damage was caused. The population was on the alert, and no casualties were reported.

FORMER CHANCELLOR RETURNED TO COMMONS

LONDON, Nov. 15.—Sir Robert Horne, former Chancellor of the Exchequer, was re-elected for the Hillhead division of Glasgow by a substantial majority.

THE FIRST CHANGE

LONDON, Nov. 15.—Great Yarmouth registered the first change in the British election today, the Liberal, Mr. Arthur Harbord, with 9,335, defeating Lieut-Col. G. de W. Crookshank, Conservative, 8,917, and the Labor candidate, Arthur Whiting, 2,574.

LONDON, Nov. 15. — Mr. John Robert Clynes, one of the most prominent Labor leaders, was elected for the Platting division of Manchester with 15,683; Frank A. Holmes (C), 14,814. Mr. Clynes was unopposed in the last election.

GOT US A PENSION

EX-PREMIER BEST KNOWN TO WOMEN VOTERS

Many Were Not Familiar With Mr. Bonar Law or Either of Labor Leaders

LONDON, Nov. 16.—There seemed to be a great difference in the extent to which the women voters in the east end of London were acquainted with the big personalities in the election. One canvasser declared the name of Mr. Bonar Law was as unfamiliar to the women there as the names of the Pharaohs.

Claim to Fame

The Labor leaders, Henderson and Clynes, seemed equally unknown, but Mr. Lloyd George was famous, not as "the man who won the war" but as "the dear thing which got us a pension."

Mr. Lloyd George returned to London in the early afternoon from his speech-making trip and immediately visited polls with his daughter and cast his vote. A friend who met him outside remarked:

"You have set us all a good example, sir. You have worked like a Trojan."

Agrees With Him

"We have to at these times," the ex-Premier replied. Asked if he was worn out, Mr. Lloyd George said: "Not at all; not at all. I'm quite ready for another campaign. This sort of thing suits me," and with a hearty laugh he left for home.

MR. JOSEPH DEVLIN IS BEATEN BY UNIONIST

LONDON, Nov. 16.—Joseph Devlin, formerly representing the Falls division of Belfast, but on his withdrawal from his constituency was made the Nationalist candidate in Exchange division of Liverpool, was defeated. The Conservative, Sir Leslie Scott, polled 15,650; Mr. Devlin 12,814.

CANADIAN CONSERVATIVE WINS

LONDON, Nov. 15.—The Canadian sitting member in the British House of Commons for the Brentford division of Middlesex, Col. Grant Morden, defeated Mrs. Oliver Strachey, one of the women who had high hopes of election. The vote stood: Colonel Morden, Conservative, 10,150; Mrs. Strachey, Independent, 7,074.

COLONEL BEATS LABOR MAN

LONDON, Nov. 15.—The Asquithian Liberal, Lieutenant-Colonel John Ward, gained a seat in the British House of Commons for Stoke-on-Trent against the Labor candidate, Mr. J. Watts, the vote being 16,365 to 10,732.

WANT ACTION TAKEN

CANADIAN LEGION SAY ORIENTAL QUESTION URGENT

Veterans Seek to Have Coal Delivery at Parliament Buildings by Chinese Discontinued

The Victoria Post of the Canadian Legion last night heartily endorsed the opinion regarding the Oriental problem contained in the resolution submitted in the Provincial Legislature, and strongly urged all members of the House to take such action as will more effectively bring the urgency of the matter before the House of Commons in the interests of the white people of Canada.

The secretary, Mr. H. P. Thorpe, was instructed by the meeting to write the Attorney-General in connection with coal being delivered to the Provincial Government Buildings by Orientals. The Canadian Legion approved the action of the Government as reported in the press to restrict Oriental labor, and will ask the Government if it is not feasible to take steps by which the delivery of Government coal can be made without the employment of Orientals.

That the Dominion Veteran's Alliance had adopted the following resolution regarding amalgamation was announced:

"Resolved that this Dominion Veterans' Alliance, having received complete assurance that the existing veterans' organizations are ready in principle for complete amalgamation, agree that a special committee be appointed to discuss all necessary details in connection with such union. The committee will have power to secure evidence as to liabilities, assets, mortgages, contracts, clubhouses, membership, paid officials, and to obtain legal advice. It will also have power to deal with and report on the question of charters, publications and all, and every consideration must be given to harmonize varying points of view, and will furnish a full report on or before February 10, 1923, to the Dominion Council of the Dominion Veterans' Alliance for consideration and necessary action, at a meeting to be held on or before March 10, 1923."

PREMIER BONAR LAW

Will Not Repeat Fall Carnival

THE executive of the Great War Veterans' Association, at a special meeting last night, unanimously decided not to repeat the Fall Carnival held in the Royal Victoria Theatre last week. The Carnival Ball will be held in the ballroom of the Empress Hotel Friday, November 24, under the auspices of the above association.

TURK CONCILIATORY

NOTE FROM ANGORA PRECLUDES DANGER OF WAR

Unfavorable Reception of Kemalist Demands Throughout World Causes Reconsideration

CONSTANTINOPLE, Nov. 15.—Any immediate danger of a rupture between the Allies and the Kemalist authorities seems to have been dissipated today by the receipt by the Allies of a note from the Angora Government declaring that the terms of the Mudania armistice compact would be respected by the Nationalists and that there would be no insistence on the withdrawal of Allied troops from the zones laid down in the Mudania convention.

Was Eagerly Awaited

The note, which had been eagerly awaited for several days, brought relief to the Allied authorities and the population of the capital, who had seriously doubted the good intentions of the Angora Government. It is felt here that the unfavorable reception of the Kemalist demands throughout the world caused them to reconsider their decisions and adopt a more conciliatory attitude.

In diplomatic circles it is felt that the note precludes the danger of war before the conversation of the Lausanne peace conference.

WOMEN KEEN VOTERS

MANY AMONG FIRST ARRIVALS AT BRITISH POLLS

London Policemen Hold Babies Outside Election Booths While Mothers Cast Their Ballots

LONDON, Nov. 16.—The women voters turned out in large numbers in numerous districts, many of them being among the first arrivals, while the majority of the voters during the noon hour were women. Not a few of them succumbed to the temptation to take their dogs to the polls with them. One political agent in Putney estimated that forty per cent of the women were accompanied by their canine pets.

London police, who are world famous for their courtesy, found a new scope for their chivalry in assisting mothers who appeared at the polls with babies in arms. Many of the "bobbies" could be seen standing outside the polling stations holding the offspring of women electors.

In the Eton and Windsor constituencies where one of the Eton masters was the Conservative candidate, an unusual lot of canvassers for votes were out in his behalf.

Eton Boys Canvass

They were Eton boys who scoured about everywhere looking for support for their candidate in their short jackets, Eton collars and silk hats, many of which had seen hard knocks in the school scrimmage.

The fog continued heavy in many places and the mists were so thick in some parts of London that the polling booths had to be artificially lighted all day.

MINING MEN CONFER

REPRESENTATIVE GATHERING IN VANCOUVER

Profits of Mining Corporation Should Be Basis for Taxation in Province Is Point Made

VANCOUVER, B. C., Nov. 15.—With prominent mining men in attendance from Eastern Canada, the United States, Alberta and British Columbia, the annual western meeting of the Canadian Institute of Mining and Metallurgy opened here today. Those in attendance who will take part in the discussions during the three-day session include Dr. Samsell, Deputy Minister of Mines and a former Vancouver man; Mr. J. McLeish, of the Department of Mines at Ottawa; Mr. C. M. Odell, of Glace Bay, N. S.; Prof. Wallace, of the University of Manitoba; Mr. J. A. Campbell, Commissioner of Northern Manitoba; and others familiar in mining circles in Quebec, Ontario and Alberta.

Taxation Changes

Several speakers today urged a change in the system of taxing mining properties. Mr. R. Van Wagenen, of the Canada Copper Corporation, and Valentine Quinn, of the Granby Consolidated, said that profits of mining corporations and not actual tonnage depletion should be the basis for the taxation in the province as in the Federal system.

Industry Suffering

Mr. R. Randolph Bruce, of the Paradise Mine, said that the mining industry in British Columbia is suffering because the Provincial Government was inclined to penalize mines developed with United States capital. The Province, he said, puts "an incubus on money derived from outside sources and we need all the money we can get."

To Extend Membership

A proposal to extend membership in the Mining Institute to practical as well as technical was favored in a paper by Mr. G. C. Mackenzie, secretary of the institute, which was read by Prof. R. C. Wallace, of Manitoba. A discussion followed pro and con the proposal, which was not finished today.

DISMISS COMPLAINTS AGAINST PICKETERS

WASHINGTON, Nov. 15. — Complaints were dismissed today by United States Commissioner George H. McDonald against Mrs. Muriel MacSwiney and eight other women, who were arrested yesterday on a charge involving their picketing the British embassy in protest against the detention of Miss Mary MacSwiney, sister-in-law of Mrs. MacSwiney and sister of the late Terence MacSwiney, Lord Mayor of Cork.

HUSBAND RETIRED, BUT WIFE FAILED TO WIN

LONDON, Nov. 15.—Lady Cooper, whose husband, Sir Richard Cooper, retired to make way for her and who had made a strong campaign as a Conservative, was defeated in Walsall for a seat in the British House of Commons. Mr. Pat. Collins, Liberal, polled 14,874; Lady Cooper, 14,869, and Mr. Robert Dension, Labor, 6,946. Lady Cooper was one of the women who was expected to win, aside from party considerations.

EARLY LABOR GAINS

LONDON, Nov. 15.—The first sixteen constituencies to report in the English election showed five gains for Labor, most of these being taken from the Conservative forces, or as they were in the last House, Coalition Unionists. All these gains were obtained in English boroughs.

POISONERS' CUNNING TO TRAP DETECTIVE

Received Letter From Relative Announcing Arrival of Chocolates Before Poison Arrived

LONDON, Nov. 15.—An explanation of how Sir William Horwood, commissioner of police of Scotland Yard, and thus the head of the world's greatest police force and with intimate knowledge of the wiles of the criminals, came to eat the poisoned chocolates sent him through the mail last week, was given to the press today by Sir Wyndham Childs, chief of the criminal investigation department.

Two Boxes

The day before the head of Scotland Yard was poisoned, said Sir Wyndham, he received a letter from a relative saying a box of chocolates was being sent him for a birthday present. The next day a box of candies arrived, and Sir William, thinking they were his present, ate some of them. These were the poisoned candies. Shortly afterward the chocolates from the relative arrived, but the damage had already been done.

Out of Danger

Whether the arrival of the two boxes almost at the same time was merely a coincidence, or whether remarkable cunning had been shown by the senders of the poisoned candy, is not known.

The police, said Sir Wyndham, were working on a clue which might lead to an arrest. Meanwhile the poisoned Scotland Yard head is out of danger and reported to be doing nicely.

SYDNEY, Australia, Nov. 15.—An agreement between the Commonwealth and the New South Wales government providing for the settlement of 6,000 emigrants in the state at a cost of six million pounds has been signed by Premiers Hughes and Sir George Fuller.

"I Can Now Do My Work Without Feeling Tired"
Mrs. A. Moffatt, Roxton Falls, Que., writes:
"I suffered from a run-down system and nervous debility. I could not sleep or rest at night, and felt so weak I could not walk any distance. I took several tonics, but they only helped me while I was taking them. Mother advised me to take Dr. Chase's Nerve Food, and I felt great benefit from the first box, and continued taking several boxes. Today I feel like a new woman, and am able to do my work without that dreadful tired feeling."

Suffered From Pimples and Blotches For Fifteen Years
When the blood becomes impure it is only natural that pimples, blotches, boils or some other blood trouble will manifest itself by breaking out of the system.
There is only one way to get rid of these obnoxious skin troubles, and that is by giving the impure blood a thorough cleansing by the use of a good blood purifier such as
Burdock Blood Bitters
This remarkable remedy has been on the market for over forty years; is the best obtainable, and will do all we claim for it as a blood cleanser.
Mr. Albert R. De Witte, Lake Valley, Sask., writes: "I have suffered very much from pimples and unsightly blotches for the past fifteen years, and was so bad I hated to go out anywhere. I tried many different medicines, but none seemed to help. A friend told me to use Burdock Blood Bitters. I have used three and a half bottles, and now I have a clear, rosy complexion."
B. B. B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont. (Advt.)

DECLARE MARTIAL LAW IN VALLENAR VALLEY

Looting by Bandits in Stricken Chile District Makes Stern Measures Necessary, Says Dispatch

SANTIAGO, Chile, Nov. 15.—Scarcely a house remains standing in the Vallenar Valley, in Northern Chile, as the result of the earthquake and marine disturbances of last week. The full extent of the disaster, which centred upon the provinces of Atacama and Coquimbo, became more fully known today with the reopening of telegraphic communications with North Chile. In these two provinces the victims number 1,500, so far as known, but it is expected the number of dead will be substantially increased when communications are resumed with many small villages in the interior whose fate remains unknown.

Dispatches from La Serena told of serious damage which the earthquakes inflicted upon the Topo mines. Martial law has been declared at Vallenar and in Copiapo, owing to the looting by bandits.

HON. R. E. FINN IS HALIFAX NOMINEE

HALIFAX, Nov. 15.—Hon. R. E. Finn, minister without portfolio in the Nova Scotia Government, was nominated by the Liberal convention of Halifax City and County here last night to contest the constituency at the federal by-election on December 4.

MONTREAL, Nov. 15.—Theodule Rheaume, K. C., was yesterday selected as Liberal candidate for the County of Jacques Cartier in the coming federal by-election.

MOTHER!

Move Child's Bowels with "California Fig Syrup"

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, a teaspoonful will never fail to open the bowels. In a few hours you can see for yourself how thoroughly it works all the constipation poison, sour bile and waste from the tender little bowels and gives you a well, playful child again.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup," which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup. (Advt.)

WAS A PARTICIPANT IN RIEL REBELLION

French-Canadian Half-Breed Dead at Kenora, 94 Years of Age, Had Been Sentenced to Death

WINNIPEG, Nov. 15.—Credited with being the last of the participants in the Riel Rebellion to know the burying place of Thomas Scott, who was executed at old Fort Garry, March 4, 1870, Ambrose D. Lepine, the insurgent leader's adjutant, is dead at Kenora, at the age of 94 years. Lepine was sentenced to death for his part in the killing of Scott, but was reprieved by the Mackenzie Government and later sentenced to a two-year term in the common jail.

Adventurous Life

Lepine, a French-Canadian half-breed of powerful build, led an adventurous life as a young man and in the early days crossed the plains, passed through the Rockies and prospected in British Columbia. He was highly respected among his own people and the visiting days of his term in jail were like holidays. His friends smuggled in whisky to the jail and he was accorded many privileges which made his sojourn a pleasant one.

Lived on Island

Reminiscences of the stirring times of the early days were recalled by Sheriff Colin Inkster, when informed of Lepine's death today, who stated there is only one remaining member of the Riel provisional government alive. He is Louis Achmadit, of Duck Lake, Sask. The sheriff says there is a possibility that Maxim Lepine, a brother of Ambrose, now living near Mawaska, Sask., may know of Scott's burying place, but he considers this unlikely.

For the past forty years Ambrose Lepine lived on an island in the Lake of the Woods.

DEFENDS CANADA FOR ATTITUDE ON APPEAL

CARLETON PLACE, Ont., Nov. 15.—Outside of a very few, the people of Great Britain expect Canada, through her parliament, to have the say as to what attitude this country is to assume in matters that affect her interests and her wellbeing, declared Hon. G. P. Graham, Minister of Militia and Defence, speaking here tonight on the Near Eastern situation as it affected Canada. It was the first time in the history of Canada that this country was asked to participate in war in which Great Britain might be involved, he said. In the other wars, the offer came from Canada when the need was seen to exist. The Canadian people can be loyal to British tradition and the British crown and yet say "No" to propositions made by the men who happen to be in power.

SAYS PENSION BOARD LOST SIGHT OF ISSUES

OTTAWA, Nov. 15.—The argument of counsel before the royal pensions commission, headed by Colonel J. L. Ralston, of Halifax, to consider the Great War Veterans' Association charges against the board of pension commissioners and the operation of the Pension Act, still continues and the end is not yet in sight for a couple of days.

J. R. Bowler, Winnipeg, counsel for the G. W. V. A., continued today his argument started on Monday. He maintained the pension board had, in many cases, lost sight of the broad issues and the intention of the Pensions Act in petty detail. Mr. Bowler explained that where the pension board knew the intention of the act, even where the act was worded obscurely, it was their duty to interpret the act to carry out the makers' intention, if such was possible.

MEXICO BANK FAILS TO OPEN ITS DOORS

MEXICO CITY, Nov. 15.—The Banque Francais de Mexique, operated by R. A. Lacaud & Son, the largest French bank in Mexico, failed to open its doors this morning. Large crowds gathered in front of the building, necessitating police protection.

GREEK ARMY CHIEF ARRESTED AT TRIAL

Policy Which Lead to Downfall of Greek Army Described as Treacherous and Criminal

ATHENS, Nov. 15.—General Pallis, chief of staff of the Greek army in the Angora campaign, was arrested today after testifying at the trial of former cabinet members and generals accused of treason in connection with the Greek military debacle.

General Papoulas, who preceded General Hadjanestis as commander-in-chief in Anatolia, in testimony yesterday laid the responsibility for the debacle on the late government. He declared that at a war council last year at Kutaia, under the presidency of King Constantine, both he and General Pallis dwelt upon the difficulties of the campaign which the Greeks were about to start. Premier Gounaris, however, declared the objections exaggerated and the government's opinion prevailed.

General Papoulas described the government's policy as treacherous and characterized its actions as criminal.

STAND BY PRINCIPLES NEW LEADER DECLARES

BRANDON, Man., Nov. 15.—"We have stated our principles and are not going to throw them down," declared Robert Forke, M.P., in his first public appearance in his new role as parliamentary leader of the Progressive Party, addressing the Little Souris local of the United Farmers of Manitoba yesterday. Continuing, he said: "We must carry our ideals and principles to a logical conclusion and if ever called must not be afraid to take up the reins of government. This idea may not be such a dream as some seem to imagine, for the Progressive movement is rapidly gaining ground. It is beginning to be recognized that if we solve the rural problems all other problems will be solved."

KIDNAPPED BY BANDITS

American Missionary and Son Taken by Chinese Outlaws Swells Total of Captives to Eight

PEKING, Nov. 15.—Elinar Borg Breen, of Minneapolis, an American missionary of the Lutheran Church, and his son, have been kidnapped by the army of bandits in Honan Province, according to a report from Hankow. Altogether, eight foreigners, including three Americans, now are held captives.

TO CAMPAIGN AGAINST DESTROYER OF TURKEY

ATHENS, Nov. 15.—Riza Tewfik Bey, president of the council of state in the former Constantinople Government, said today that he, with some Turkish associates, were going to the United States to carry on a campaign against Mustapha Kemal Pasha, whom he considers the destroyer of Turkey.

Tewfik declared that he had reached an understanding with Premier Gounaris for the peaceful evacuation of Asia Minor by the Greeks and adjustment of some of the Turco-Greek difficulties, but Mustapha Kemal Pasha had ignored the agreements and countenanced atrocities.

BRITAIN'S VERDICT

Early returns from the British elections give substantial indications of a sweeping victory for the supporters of Mr. Bonar Law. London has given its verdict in favor of the Conservatives. In some seats where their chances were considered as doubtful they have triumphed, and, as compared with their representation in the last House of Commons, they do not seem to have sustained any losses of a serious character. Unless the later returns show a reversal in the trend of public opinion, as evidenced in the verdict of the constituencies made known overnight, it is likely that the Prime Minister will have a following outnumbering that of all other parties combined in the new House of Commons.

It is too early yet to forecast how the opposition in the new Parliament will be divided. It is fairly evident that Labor will have more seats than in the last House of Commons, but the number it will secure obviously will fall far short of the optimistic hopes of the leaders of the party. It has made gains, and, according to the present outlook, will likely have over 100 members elected. The Asquithian Liberals, although they had over 300 candidates in the field, have not fared as well as was anticipated. The results of the election will be very disappointing to them. It is obvious that the country wants no more of Mr. Asquith's leadership at this stage. Of the strictly Lloyd George candidates there are indications that considerably less than one-half will emerge as members, though any estimate on the basis of the results received overnight is pure guesswork. The feature of the early returns is the apparent wave of sentiment in favor of Mr. Bonar Law and a Conservative Government. This is, as anticipated, and it now seems that the people's verdict will be more emphatic than many of the prophets of a Conservative victory forecast. Opposition to the Labor policy of imposing a capital levy, a rising tide of public opinion in favor of economies in administration, and the desire to get away from the harrassing legislation which has curbed initiative and enterprise during recent years, seem to have been the issues upon which the British people decided the day. As they have a habit of doing they appear to have left no element of dubiety in the result.

A HEAD TAX POLICY

Among those who know the Chinese in this Province, who work among them and who realize that with a large section of them it is the desire to return to their native land, something akin to surprise is often expressed at the lack of constructive thought exercised in the efforts to lead to Chinese exclusion. The present discussion in the Legislature is a case in point. It consists simply in the desire to pass some resolution or other to put on record the legislative attitude of this Province on the subject of Oriental immigration. The Chinese themselves wonder why statesmanship does not decree, if they are not wanted here, that efforts should be made to induce them to return to China. With the great bulk of them it is simply a question of money. It is probably no exaggeration to say that if the $500 head tax collected from Chinese were refunded, on the undertaking that the recipients would leave Canada, some 10,000 of them would go away in short order. Were half the head tax refunded, or, in other words, was the sum received by this Province on account of the entry of Chinese to be refunded, there are excellent grounds for belief that at least 5,000 of the Orientals would leave the country and would be glad to go.

The bona fides of legislative proponents of Asiatic exclusion can best be tested by their desire to relieve the Province of those Chinese who are now here. The suggestion to refund the head tax is the one practical way put forward of insuring a reduction in the Oriental population of British Columbia. It is an arrangement that could be entered into by this Province alone and with a section of its inhabitants. No international complications would ensue. It would be unnecessary to consult Ottawa. The simplest way to prevent further Asiatic immigration, and in so doing to avoid friction of any kind, is by a policy which will lead to the departure of a large percentage of the Chinese now here. It is true, it may be pointed out, that it will cost money, possibly up to $5,000,000, but then it must be remembered that Canada has benefited to this extent, and appreciably more, by the entry here of the Chinese under the head tax system.

We do not note that this suggestion has been dealt with in the Legislature during the present discussion on Asiatic exclusion. This is not due to lack of information on the subject because the attitude of the Chinese has been made clear. They believe that, in a spirit of fairness, if the Province wants to get rid of them, the money which they paid for the privilege of entering the country should be refunded. The question for our Legislature to consider is whether or not it would be worth while to effect a substantial reduction in the present Asiatic population of this Province. The amount of Asiatic immigration at the present time is small compared with what it was in past years, so that for the moment the chief phase of the problem lies in those who are now here. We gather this from the stress laid on the activities by various Ministers and members who have spoken on the subject in the debate. The immediately practical thing to do would be to devise means for reducing this population. The only way that seems to suggest itself is that of refunding the head tax as outlined.

QUEBEC'S ADMINISTRATION

Quebec's methods of Provincial administration should be a lesson to every Province in the Dominion. Mr. Jacob Nichol has been able in his budget speech, just delivered, to show a surplus of $5,033,419.45 for the fiscal year ending June 30 last. The ordinary revenue was $21,609,396.10 and the ordinary expenditure $16,575,967.65. It is pointed out, with justifiable satisfaction that this record has never been equalled by any Province in the Dominion. The operations of liquor control have, of course, had a good deal to do with the excellent financial showing of the French-Canadian Province, but the liquor policy alone does not account for all the surplus. Indeed, the total profits from the operation of the liquor law only amounted to $4,000,000, and in this estimate are included the revenues and fines, duties, permits, as well as the net profits derived from sales.

Quebec, with a population of 2,500,000, is able to administer the affairs of its people, Provincially, for less than $17,000,000 annually. This implies that a policy of strict economy is pursued, but with it there is unusually efficient administration which has earned the Province an enviable reputation. A signal example of administrative ability is shown in the operation of the liquor law, which has met with public favor that indicates no sign of diminution. It is the same with the different departments of Government. Quebec has a Liberal administration, but Conservative policies. It is chary of adopting new-fangled ideas and exercises a strong check on any efforts to promote expenditures other than those required for routine administration and well-ordered schemes of development. It enjoys, and has enjoyed, the fame of being the best administered Province in the Dominion, a fact that is borne testimony to by the satisfaction which prevails among its people. It is evident that this satisfaction can be promoted, among other ways, through an annual Provincial expenditure for administration of less than $17,000,000.

VOTE MONEY TO MAKE IRON ORE SURVEYS

Bill Introduced Provides Fifty Thousand to Meet Cost of Province's Share of Work

The sum of $50,000 will be spent by the Province on a survey of iron ore resources of the Province under the provisions of a bill introduced in the Legislature yesterday afternoon by the Minister of Mines, to ratify the agreement between the Province and the Dominion to carry on jointly this work.

For the purposes of the act, the Minister of Mines may enter upon and occupy any mineral claim or mining property without the consent of the owner and carry on operations to demonstrate the value of the lands, and can apportion the cost against the respective properties on which work had been done and the properties benefited.

The bill was given its first reading and will come up for its second reading at the next sitting of the House.

RETURNS FROM LONDON

Mr. E. Hodgson Says He Has Not Given Up the Idea of Woolen Mill for This City

Mr. E. Hodgson is again in the city, having returned from London within the last day or two. He will remain here until after the New Year, at least.

It will be remembered that before Mr. Hodgson left for Europe he had in view the establishment of a woolen factory in Victoria. His visit to England, it is understood, was in part made in connection with that proposition.

Asked yesterday if he had given up the woolen mill proposition, Mr. Hodgson said he had not done so, but that its inauguration depended entirely upon the attitude of the city and its readiness to co-operate. It would appear that later he may have more to say respecting the scheme.

Mr. Hodgson by no means remains anchored in one place when he goes abroad. He spent some considerable time in Russia, and visited in turns, Poland, Germany, Austria and Lithuania.

He believes that British money will be more and more available for use in Canada, and finds that municipal investments in this country find favor in London, being regarded as safe. With the better returns to be obtained from money invested in Canada, and the lower taxation upon the income from investments here, he thinks Canada is becoming more favorably regarded by the moneyed interests in the Old Land.

The Community Chest

Sir,—In your editorial on the subject of the Community Chest you make the following reference to the societies that are not included in the canvass for funds: "Of the most important that will continue to retain their own methods of enlisting public sympathy are the Friendly Help Association and the Salvation Army." There is another society which has existed in this town for twenty-seven years and which, for satisfactory reasons, has not decided to join the Community Chest. I refer to the Society for Prevention of Cruelty to Animals. The work done by this organization is unique in this community and far-reaching in its effects for good. The board of directors will continue to appeal for help on behalf of the society in the usual way—and so far, friends of the cause have never failed to support it. On November 24 the annual meeting of the S.P.C.A. will be held in the Arts and Crafts room, Union Bank Building, and a cordial welcome is extended to all who are interested in the work.

The Love of Children

Sir,—Your lady correspondent from James Island a short while ago was kind enough to mention the fact that after five years' residence on the Island I was moving back to Victoria, but, like all lady correspondents, the last few words were the pith of the paragraph: The kiddies will miss him most if that is true, and I hope it is. Is there anything higher that a man can aspire to than the confidence of a child? If there is I would be glad if any of your readers could point it out.

Questions to Alderman Todd

Sir,—Several days ago, in an open letter, I asked Mr. Clearihue nine questions that are of vital interest to all merchants in the city of Victoria who carry a stock-in-trade and fixtures from which they endeavor to derive an income. In The Colonist of Nov. 14 I asked Mr. Clearihue's champion (Alderman Todd) if he would care to supply some of the information I desired to obtain from Mr. Clearihue. Neither Mr. Clearihue nor Alderman Todd have attempted to answer the questions. Alderman Todd, apparently, agrees with my description of the personal property tax as an "iniquitous impost," but the fact that the merchants are paying something that is admittedly unfair and unjust does not occasion the alderman very much concern. He prefers, rather, to cast aspersions upon the merchant and to make charges which convey a wrong impression. Is it not a fact that the merchants whom Alderman Todd undoubtedly has in mind own the premises they occupy? And as such owners, do they not pay the land tax? Does the alderman know how many thousands of dollars were paid into the hands of the municipal exchequer this year for civic taxes by the very merchants who he says "are not contributing their fair share"?

Let us see how the tax on rental values and the personal property tax would effect the merchant in Victoria in comparison with the merchant in any of the other cities mentioned. We will assume that—

1. A merchant occupies premises rented at $1,000 a month.
2. That he has a stock and fixtures of $150,000.
3. That he did not make any profit on his trading.

Under these conditions the merchant in Victoria would pay—

1. Tax on rental value	$1,200
2. Tax on personal property	1,560
Total	$2,700

The merchants in the other cities mentioned would pay—

1. Tax on rental value	$1,200
2. Tax on personal property	nil
Total	$1,200

The amount the Victoria merchant would pay in excess of the amount paid by merchants in other cities mentioned, $1,500.

The fact that the Victoria merchant pays the $1,500 to the Provincial Government, and not to the city, does not get rid of "the iniquitous impost."

There is no getting away from the fact that this tax on rental values must not be levied on the merchant while the personal property tax is on the statute book of this Province.

If it is fair that the merchants of this city should pay a tax on the rental values of their premises similar to the tax imposed in other cities, isn't it equally fair that the personal property tax should be abolished in this Province, as it was abolished in Winnipeg 30 years ago? You cannot take all and give nothing!

Will the alderman kindly answer the questions I enumerated in my letter in Tuesday morning's paper?

E. GAMLEN.

JERSEY CATTLE DO WELL IN TEST

Two of Them Produce Nearly 700 Pounds of Butter Fat During the Year.

Record of performance statistics issued at Ottawa show some remarkable figures of production by B. C. Jersey cattle.

Nutley's Violet Princess, a six-year-old cow owned by F. Davenport-Chapman of Duncan, produced 12,370 lbs. of milk and 677 lbs. of butter-fat (equal to nearly 800 pounds butter) in a 365-day test. Her average test was 5.47 per cent of butter-fat. She was beaten by only one cow in Canada.

Flora of Sumas, not yet 4 years old, owned by Mrs. C. E. Ayres of Sardis, almost duplicated the Vancouver Island cow's record. She yielded 12,193 lbs. of 5.53 per cent milk, making 674 lbs. of butter-fat.

A. H. Street of Chilliwack had two mature cows producing more than 500 lbs. of butter-fat. E. H. Barton had one giving 540 lbs.

Jerusalem, next to Damascus, is the oldest city in existence.

DISAPPEARANCE OF GOVERNMENT BEER

BREWERS, ALLEGED, DID NOT PLAY THE GAME

Public Accounts Committee Quizzes Members of Staff Relative to Numerous Thefts

A statement that the brewers had not played the game with the Liquor Control Board was made to the Public Accounts Committee yesterday morning by Mr. Archie Johnson, chairman of the Liquor Board, who cited a case at Penticton this year, where it was found that 200 barrels had been released from a brewer's warehouse, whereas only 100 barrels had been sold by the Government store there. There was no doubt, he claimed, that Vancouver clubs had obtained large quantities of beer other than through the vendors, and this had led the Board to establish a beer warehouse, from which deliveries were made by the brewers, each truck being accompanied by a paid official of the Control Board.

While the chairman of the Board stated that his department had decided to deny the right of the committee to investigate the secret service work of the Board, Mr. Johnson stated to Mr. Pooley that the operators were given expense money and told to use their own judgment in the matter of spending in order to obtain evidence.

Referring to the dismissal of Vendor LeVan and fourteen officials from the Main and Hastings Streets store in Vancouver last year, Mr. Johnson informed the committee that investigations had not proved the guilt of any of the parties alleged to be involved. LeVan, after being suspended one month, had later been reinstated following a consultation between the Liquor Board and the Attorney-General, who at that time was Mr. Farris.

Chief Accountant

Mr. D. R. Macfarlane, chief accountant for the Board, was on the stand yesterday morning, and was quizzed as to the large amount reported for brokerage and shortages.

Mr. Johnson supplemented the statements of his accountant by explaining that poor glass and high pressure of the spirits were responsible for many of these breakages.

"Yes," said the member for Atlin. "I bought a bottle the other day"—The remainder of the sentence being drowned in the laughter from other members of the committee.

The total cost of secret service activities has been $106,000 to October 1, Mr. Macfarlane stated. This included salaries, traveling expenses, entertainment allowances, and some of the counsel fees.

Chairman Johnson said he could not tell how many counsel fees had been paid directly by the Attorney-General's department.

"Operatives have to spend a certain amount of money to cultivate acquaintances," said Mr. Johnson. "If they go into a hotel and find the bar running they naturally have to buy liquor themselves."

Cultivating Acquaintances

"Are there any instructions about the amounts they are to spend?" asked Mr. R. H. Pooley.

"Mr. Miller, the chief inspector, can tell you about that," was the reply. "An operative who knows his business can tell about what is reasonable to spend."

"I see in Ontario that an operative said he had instructions to get drunk some times," commented Mr. Pooley. "Do you do that here?"

"We certainly do not. They do it anyway," replied Mr. Johnson amid laughter.

Capt. Ian Mackenzie brought out that fines and forfeitures offset the cost of the secret service, but the amount was not mentioned.

SCHOOLBOYS WILL BE ENTERTAINED

Open House Being Held by Y.M.C.A. Saturday Evening—Interesting Programme Provided

"Fun for Boys" is how the invitation cards describe the open house for schoolboys of the city twelve years of age and over, being held by the Y.M.C.A. on Saturday evening.

Invitations for the affair are being given out through the schools, but any boy who does not secure one should apply to the Y.M.C.A. The programme of the open house, which will take place in the Y.M.C.A. Building on Blanshard Street, will commence at 7 o'clock and continue until 9.

An interesting evening is promised the boys who attend. Junior A and B Sections of the Leaders' Corps will put on an exhibition of gymnastics, while the tumbling squad will display their skill. A basketball game between two schools will be played, an exhibition of boxing will be given by midgets and larger boys, a billiard tournament will take place in the boys' recreation room, and ping pong and other games will be available. The boys' orchestra will play during the evening. Events in the swimming tank will include several swimming races, an exhibition of diving, a water polo match between two teams of boys, and a swim for all boys present, who are asked to bring their own towels. The programme will be entirely provided by boys.

BUSY SESSION HELD BY SAANICH COURT

Six Cases Considered—Another Jitney Driver Is Charged Under the New Saanich By-Law

The Saanich police court had a busy time yesterday afternoon.

Albert Eales, Cordova Bay, was fined $15 for entering enclosed land with a shotgun without permission, he having been found on the Sayward property.

William Espley, Linwood Avenue, was fined $20 for assaulting and doing grievous bodily harm to George Hornsey.

David Peirce, Borden Street, was charged with having driven a car in the passenger carrying business on North Quadra Street without the necessary licence. He was remanded until Wednesday.

W. Scovil, Harriet Road, was charged with failure to pay his road tax and poll tax on demand, and was remanded for a week in order to carry out his promise to pay. R. Carroll and P. Hayward, arraigned on similar charges, were given the same treatment.

At 2:30 this afternoon a boy of 13 will appear in the Saanich police court, charged on five counts with entering and stealing.

ACTION INVOLVES MINERAL SPRINGS

Expropriation of Property by Government Resisted by Private Interests—Radio-Active Waters

The claim of the Dominion Government to lands containing radium springs, on the Banff-Windermere Road, fifty miles from Banff, was resisted before Mr. Justice D. A. McDonald in Chambers yesterday by Mr. W. J. Taylor, K. C., appearing for Mr. Roland Stewart, owner of the property.

Mr. H. A. Maclean, K. C., acting for the Dominion Government, appeared in support of an application for warrant of possession of the lands, already expropriated by the Government. Mr. Maclean said that the expropriation had been made for the purposes of a national park.

Mr. Taylor raised the constitutional status of his client, under the British North America Act, arguing that the Government was going beyond its powers in taking possession of this property.

The learned judge directed that the Provincial Attorney-General and the Dominion Minister of Justice be notified that a further hearing of the application will be adjourned, so that their respective departments may be represented.

Interest in the issue is accentuated by the fact that valuable radium springs are known to exist on the property; and that the owner had intended to create a health resort for the exploitation of the curative properties attributed to the radio-active waters.

GOLD SHIPMENT SHOWS RETURN TO NORMALCY

TORONTO, Nov. 14.—With reference to the large shipment of gold from the United States to Canada, Sir John Aird, vice-president and general manager of the Canadian Bank of Commerce, today said it was only a temporary loan, the explanation of which was that Canadian funds were at a premium. He said it was cheaper for the time being to send gold to Canada than to Canadian exchanges in New York.

Sir John intimated that it was probable the gold movement would be in the other direction before long, indicating that Canada and the United States, at least, have once again returned to normal.

As to Canadian money being above par in the United States, Sir John said it was probably due to the sale of Canadian securities in the United States, and were the sale to decrease this country might once more return to the adverse exchange rate.

APPEAL TAKEN WILL TEST JITNEY BY-LAW

Judgment Reserved in Case of Ex-Soldier Driver Fined for Unlicensed Operation

Judgment was reserved by Judge Lampman in the County Court yesterday in the case of Rex vs. Cooper, in which Thomas Cooper, a returned soldier jitneyman of Saanich, entered the first of a series of appeals from convictions by Magistrate Jay in the Saanich police court. Several jitneymen were recently fined $25 each for operating unlicensed jitneys on the Gorge Road and other main thoroughfares of the municipality. The appeal was taken as a test of the validity of By-law 284, enacted by the Saanich Council for the regulation of jitneys within its jurisdiction.

By mutual agreement between Mr. F. C. Elliott, for the appellant, and Mr. H. B. Robertson, K.C., for the municipality, evidence was given by way of the depositions taken of the police court proceedings. It was shown that Cooper and others had applied for licences, and had been refused; that licences for the Gorge Road had been restricted to three and had been granted to the Gorge Bus Company. There was no denial that the defendant had operated his jitney on the Gorge route.

Mr. Elliott argued that the by-law was void, as being in excess of the powers granted by the Legislature to the municipal council. Counsel conceded that the council had authority to prohibit all motor vehicles from plying for hire on specific routes; but it must be all or none, according to the terms of the statute. The statute gave no power to discriminate, and thereby create a monopoly in favor of certain vehicle owners. What the statute said, as Mr. Elliott interpreted it, was that all responsible applicants for licences must be granted same, but that the council might say that not more than three of these licencees should operate on any one route at any one time.

When Mr. Robertson rose to reply, the learned judge intimated that the only point at issue, as far as he was concerned, was the legality of the council's action in restricting the number of licences. On this question Mr. Robertson cited authorities in support of his contention that the by-law was not ultra vires of the council. Judgment was reserved.

Dinner to Ex-Mayor—Richard Lewis, Esq., ex-Mayor, was last evening entertained at dinner by a number of friends at the Pacific Telegraph Hotel; Mr. J. S. Drummond presided and was ably supported by Mr. Charles Morton in the vice-chair. The repast, which was prepared by Mr. Andrew Astrico, was excellent. Toasts were drunk, songs were sung, and altogether a most pleasant evening was passed. Among the guests was Mr. DeCosmos, M.P.

Bishop's Protest—Following is part of a letter read at a meeting of the Christ Church committee:

Dear Mr. McCreight and Mr. Ward, churchwardens of the Cathedral—I am sorry to trouble you in the midst of your worthy labors for the benefit of the Cathedral, but I feel bound to express the objection I entertain to a concert being held in the new building. Such a purpose is foreign to the object for which the church is built. It is built for the worship of God, for the preaching of His word and administration of the Sacrament and ordinances, and for no other purpose. To use it as a place of amusement is to destroy the sacredness with which we are accustomed in the Church of England to invest our churches and tends to create an irreverence which is injurious to religion.—G. DEMANDS DETAILS OF GOVERNMENT'S DEAL

Mr. Bowser Attacks Government on Its Course in Connection With Coast Range Steel Company—Leader of Opposition Classifies It as More Paper Legislation

AN emphatic demand for fuller particulars of the negotiations between the Government and promoters of the Coast Range Steel Company, Limited, concerning which much has been said of late relative to the proposal of the Government to grant assistance in the launching of an iron and steel industry in British Columbia, was made by Mr. W. J. Bowser, K.C., Opposition leader, in the Legislature yesterday afternoon. Mr. Bowser was speaking in support of the motion of Mr. W. K. Esling, Conservative member for Rossland, for a return of all correspondence between the Government and the interests behind the company. Mr. Bowser twitted Hon. Mr. Sloan about his "paper legislation" passed in 1917, under which the whole countryside, he stated, was to be plastered with mineral development plants. He asked where they were today, and he suggested that the Coast Range Steel project was something of the same class for the Government had to reduce its incorporation fees from about $3,000 to $50.

Denied Right of Demand

Hon. Mr. Sloan, in denying the right to demand such correspondence, stated the Government would be particularly guarded with any company seeking to establish a new enterprise. The industry must be a straight and not a speculative proposition, he said, and a representative of Messrs. Vickers, Limited, had fully agreed with this view during his visit here this Summer.

The Minister of Mines stated that Eastern and American firms were not friendly to the establishment of an iron and steel industry on this Coast and there were rival interests anxious to find out at this time what was going on in these negotiations. It was not in the public interest, he said, to bring down a return at this time.

Mr. Bowser said the argument of the Minister would not carry weight, and he reminded the House of the first attempt the Minister made in 1917, leading to the establishment of public sampling and concentrating plants, legislation which had developed, as he (Mr. Bowser) said it would, into the greatest example of "paper legislation" in the history of the Province.

Wanted Information

Mr. Bowser said he wanted in black and white just what the Government was doing in connection with the Coast Range Steel Company, in order to determine whether the administration was sincere in its plans. The legislation of 1917 was enacted simply to lead the public to believe that such plants would be built.

Hon. Mr. Sloan—The opposition leader is wandering from the subject.

Mr. Speaker Pauline held the objection was well taken.

Mr. Bowser informed the Minister "you have got to accept this whether you like it or not. We want to find out whether this is not more of this paper legislation."

The opposition leader recalled the announcement made prior to the 1920 election by Mr. M. A. Macdonald on the great value of the Coast Range Steel Company would prove to the Province. Since then the Government had allowed the company to incorporate for the small sum of $50 instead of the regular fee of $3,000. To cap all this the Government, finding the company had not money enough to pay their inspectors and engineers, appropriated $10,000 for that purpose.

Like Guildhall Banquet

Mr. Bowser also referred to the visit paid to the capital in August of a delegation headed by Mr. Landahl, ex-Mayor Gale and Mrs. Ralph Smith, M.P.P., following which the Premier made a statement to The Colonist "like a Guildhall banquet" that the Government was prepared at the next session of the House to submit legislation to aid the iron industry.

"There has been a grand splash in the papers over this matter," said the Opposition leader. "The Government has had to wipe out the original idea of my friend, the Minister of Mines, in his iron bounties legislation. It must be a sore blow after laboring as hard as he did to bring forth the proverbial mouse that the Premier at this stage must wipe his ambitious schemes out of existence."

Mr. Bowser commented upon the fact that nothing had appeared in the King's Speech in connection with this matter; the Minister of Lands had returned from England and stated that the people in England had never heard of the scheme.

Minister of Lands Comes In

Hon. Mr. Pattullo denied he had made any such statement. What he had said was, that the matter had been communicated to Ottawa but that Hon. Mr. Fielding said it had not been considered.

Mr. Bowser stated that in the first instance the Coast Range Steel Co. had secured consideration under the Iron Bounties Act and then had trucked that to England. "I hope," he said, addressing his remarks to the Minister of Lands, "that when you were in England you told them there that this concern was so financially weak that you had to reduce its incorporation fees."

Mr. Bowser held that the district engineers of the Minister of Mines could have been used and not Mr. Landahl's private engineers. It was necessary, he claimed, to get the fullest details of the company. Neither Ottawa nor the Imperial facilities committee had agreed to anything; hence the necessity that the resolution of the member for Rossland should be approved.

"So we can find out what actual results my friend the Minister of Mines has got from his trip."

Hon. T. D. Pattullo adjourned the debate.

MR. STANELAND NOW RUNS POLICE BOARD

Mayor States That He Has Placed Responsibility With Fellow Commissioner

Mayor William Marchant announced yesterday that Police Commissioner Walter Staneland was now virtually in charge of city police affairs and that his associations with the board would in future be merely nominal, although he would continue to act as chairman at the meetings.

The Mayor said that Commissioner Joe North was being relied upon to report special cases and conduct investigations on his own account. Mr. North, it was stated yesterday, has wired Mayor C. E. Tisdall, of Vancouver, challenging him to carry out the promised probe of jail conditions there.

"Mr. Staneland is really in charge of the Police Commission," said Mayor Marchant. "I have been very busy with other matters and police work is decidedly distasteful to me anyway. I wish I could be Mayor without having to accept responsibility as chairman of the Police Commission at the same time."

Commissioner Staneland is now working upon a set of recommendations regarding reorganization of the business side of police department administration, and these will be made public next month. No meeting of the Police Commission will be held today, the Mayor stated.

OBITUARY

STEWART—The funeral of the late Mrs. Marion May Stewart took place yesterday afternoon from her late residence, where service was conducted by the Rev. A. de B. Owen. There was a very large attendance of friends and relatives, and a profusion of beautiful floral offerings completely covered the casket and hearse. One hymn was sung, "Abide With Me." The following acted as pallbearers: Messrs. J. D. Morris, R. E. Mitchell, C. P. L. Pearson, D. R. Macfarlane, P. Austin and R. E. Collis. The remains were laid to rest in the family plot at Ross Bay Cemetery.

WOODS—The funeral of the late Mrs. Margaret Woods will take place this afternoon from the B.C. Funeral Chapel, where service will be conducted by the Rev. F. A. P. Chadwick at 2 o'clock. Interment at Ross Bay Cemetery.

ATKINSON — The funeral of the late William Frederick Atkinson, who died at the Royal Jubilee Hospital last Monday, will take place this afternoon at 3:30 o'clock at the Sands Funeral Chapel. Rev. Arthur de B. Owen will officiate, and interment will be made at Ross Bay Cemetery.

ALTERNATIVE SITE IS HIGHLY FAVORED

Old Men's Home Property Will Meet Motor Camp Requirements, Tourist Group Head Believes

Regarding the objections to the Gorge site as reasonable, the Tourist Group of the Chamber of Commerce is now concentrating its efforts on the acquisition of property adjacent to the Old Men's Home at the Willows for use as a motor camp site.

This was announced yesterday at the Chamber of Commerce following examination of the objections of Medical Health Officer A. G. Price and City Engineer F. M. Preston regarding the Gorge property, the principal one being that sewerage from the camp site would naturally interfere with the reputation of the Gorge as a swimming and boating resort, even though the actual damage would probably be negligible.

"What we wanted to do more than anything else was to convince the City Council that we meant business with this camp site proposition," said Chairman Frank Waring. "I think we have succeeded in that. Now that the Gorge property has been virtually eliminated, we might as well look for a suitable alternative and I think the Old Men's Home property is superior to anything else we have investigated."

The Tourist Group is now working with various public organizations of the city with a view to providing a series of weekly entertainments this Winter for the benefit of tourists, the plan being that the programmes would be handled by different organizations each successive week, seven altogether being asked to contribute.

CHU KU CHEWS HIS FELLOW PLANERMAN

Charges and Counter-Charges Fly in Police Court, But Magistrate Makes Clean Sweep of All

Edwin Moore and Chu Ku, with the memory of alleged cause of mutual dissatisfaction still warm within them, brought their quarrel before Magistrate Jay yesterday; and thereby, as it turned out, hung the tale of dire deeds recently in the planing mill of the Canadian Puget Sound Company. Edwin Moore, a youthful mill employee, was charged with assaulting Chu Ku; while Chu Ku was accused, in a cross charge, of biting the thumb of Edwin Moore.

Chu Ku admitted that he had refused to go to the assistance of Edwin Moore, when the latter required more help with a big rush of lumber to be planed. But, as Chu Ku viewed it through his blackened and swollen eyes, that did not give Edwin Moore the justification for blackening the said eyes, or kicking the exhibited knee of Chu Ku. Positively, Chu Ku asseverated, he had given Edwin Moore no provocation for this terrific onslaught. Chu Ku had been so lacerated in his feelings as to have found it impossible to work since the occurrence, he said.

The Chew of Chu

"When he hit me in mouth, his thumb catch in my teeth, and I bite it, that's all," concluded Chu, in explanation of the insinuation that a trifle of unlawful mayhem might have been Chu Ku's contribution to the melee.

Edwin Moore, on the other hand, swore that Chu Ku had threatened him with a heavy chunk of iron. Heavy chunk of iron duly shown to court. Edwin Moore had approached Chu Ku, for the purpose of separating Chu and the chunk; and then the belligerent Chinaman had taken an unfair advantage, and had severely bitten Edwin Moore's thumb. Thumb duly shown to court.

Everybody Happy

Also, the mill foreman testified that Chu Ku seemed to have a penchant for major and minor scraps, and for that reason had been discharged from the mill's service. Another mill employee came forward and said that Chu Ku had broken all Marquis of Queensberry rules in the course of a notable encounter; and had largely confined his tactics of aggression to the use of iron chunks, wooden chunks, bad language and incisor teeth.

The magistrate thought that substantial justice would be done if he ordered the dismissal of both charge and counter charge; and it was so ordered.

CITY HALL FLOODED BY DARKNESS WHEN BIG FUSE BLOWS OUT

For fifteen tense minutes the City Hall was plunged in blinding darkness yesterday shortly before closing time.

Just how it happened was not definitely explained, although electricians stated that the main fuse was probably blown out as a result of an excessive number of light connections in the engineering department.

Chief Janitor Evan Davies, busy upstairs rehearsing for the evening clean-up, was given a hurry-up call from below by officials, who believed that the lights had been turned off to cloak a robbery in the treasury department. A man in a heavy dark overcoat flourishing an electric torch was regarded with suspicion until he announced that he was Wiring Inspector Al Daly.

Mayor William Marchant was conferring with city surveyors in the engineer's department when the lights went out. He did not venture into the corridors until electricians reached the City Hall in response to Mr. Davies, who ran two blocks to obtain expert assistance in solving the mystery.

Employees of the assessor's office hunted in vain for candles and other auxiliary lighting equipment. Many officials went home, declaring that they wished to avoid being charged with working in the dark.

Assistant City Clerk Frank Hunter, groping his way down the corridor, found that his office had been used as a place of refuge for lady employees of the City Hall.

Belle Isle, a small island off the coast of Newfoundland, is noted as the place of origin of the Newfoundland dog.

tion Army Commissioner for Canada. The latter arrived in Victoria recently and the proposal of affiliating with the Community Chest was put up to him. He was shown that in many American cities large amounts had been appropriated through the Community Chest to the Salvation Army for the splendid work it had done. The commissioner decided that as far as the Army in Canada was concerned, it would not join the Chest."

Colonel Ross also made reference to the Friendly Help Society, stating that "from the inception of the Community Chest the directors had planned making adequate provisions for the work of the Friendly Help. When the secretary of the latter body had returned from her holidays she was approached in order to ascertain how much would be required by the society to carry on its worthy work, as the Chest directors felt that this society could be the medium for looking after the large part of relief work in Victoria. The directors regret, however, that this organisation has not seen its way clear to affiliate with and accept a substantial appropriation from the Chest."

A meeting of the Chest directors was held yesterday, when they prepared a list of the large donors in the city, whom they will personally canvass, and they hope that this list will bring into the Community Chest office practically one-half of the objective of the $86,600 asked for.

Stag Social Held—A stag social for the Y.M.C.A. employed boys was held last evening, the members enjoying themselves with games, and other forms of entertainment. Refreshments were served.

Aid of St. Columbia Church—A concert will be given in Strawberry Vale Hall tomorrow evening at 8 o'clock in aid of St. Columbia Church. The concert is under the auspices of the Silver Lining Mission Band.

Meeting Called for Today—The St. Jude's Social Guild will hold a meeting this afternoon in the church at 2:30. All members are urged to be present as important business matters will be under discussion.

Annual Sale Today—The annual sale of the Evening Branch of the Women's Auxiliary to Christ Church Cathedral will take place today in the schoolrooms. The special feature of the sale will be the stall of prettily dressed dolls.

Esquimalt Friendly Help—The monthly meeting of the Esquimalt Friendly Help Society, which was postponed from last Friday, will take place at the Sailors' Club, Esquimalt, at 2:30 tomorrow afternoon. A good attendance is requested.

Maccabees Meeting—The members of Queen Alexandra Review, W.B.A. Maccabees, will hold their second meeting for November this evening at the usual time and place. It is expected that conveners of the various stalls at the recent bazaar will be able to present their reports.

Young People's Social Evening—St. John's Branch, A.Y.P.A., will hold a social evening in the schoolroom tonight. Those taking part in the Jazz Band are asked not to forget their instruments. Refreshments will be served and a good time is assured to all who attend.

British Mail — Ten bags of letters and eleven bags of papers arrived here today by the steamer Sol Duc. The mail is dated November 3, so that it took less than twelve days to arrive. The bags came over the Atlantic on the Aquitania. This is the speediest the English mail has ever come.

Knox Church Bazaar—Mrs. Ralph Smith, M.P.P., will open the Knox Church Bazaar at 3 o'clock this afternoon. Among the articles for sale will be plain and fancy sewing, home cooking and candy. A fishpond will be conducted. A musical programme will be rendered and tea will be served during the afternoon and evening.

Protest Against Bill—The Esquimalt Women's Institute at its last meeting passed a resolution protesting against the proposed amendment to the Minimum Wage Act as not being in the best interests of the wage earners. The resolution was forwarded to the local member of the Legislature.

Rotary Club Luncheon—The workers of the Community Chest drive for funds to assist local charities will lunch today with members of the Rotary Club in the Empress Hotel at 12:10 o'clock. An interesting programme will be put on by the programme committee in co-operation with the executive of the Community Chest.

Ladies' Auxiliary B.N.B. — The Ladies' Auxiliary of the Boys' Naval Brigade will hold its regular meeting this afternoon in the Foresters' Hall, Broad Street, at 2:30. Those interested are asked to come along and bring their sewing. Plans and date will also be made for the bazaar to be held in the near future, the proceeds to go to entertain the boys at Christmas.

Meeting Postponed—Ward Two Liberal-Conservatives have postponed their regular meeting tonight on account of the decorating of the club rooms for the reception to be given tomorrow night in honor of Mr. W. J. Bowser, K.C., and the other Conservative members of the House. A good programme has been arranged, after which refreshments and dancing will be the order of the evening until midnight.

Saanich Health Centre — At the monthly meeting of the Women's Auxiliary to the Saanich Memorial Health Centre, held on Tuesday, with the president, Mrs. Hutchison in the chair, it was decided to hold a donation party on Tuesday, December 12. Donations of Christmas fruits, etc., kitchen utensils, pictures, sofa cushions, or anything that may be used to make the Health Centre more home-like and comfortable, will be greatly appreciated.

Y.P. Department—A very successful session of the "Mock Parliament," held under the auspices of the Young People's Department of the First Presbyterian Church, took place last night in the lecture room of the church. A number of interesting addresses were delivered in which strong criticism of the administration's policy was made. Previous to the parliament, a devotional paper on "The Christian Adventure" was read by Miss Mary Hood, and Miss Molly Wright rendered an enjoyable vocal solo. Mr. William C. Hudson, the president, was in the chair.

Gets Benefit of Doubt—The charge against Man, a Chinaman, of having unlawful possession of opium, was dismissed by Magistrate Jay in the police court yesterday. Police Inspector Heatley found defendant sleeping in a Chinese resort, in which there were several similar sleeping places. An opium pill was found in the same bunk. The defendant said he was visiting friends in the place; and fell into a blissful snooze, from which he was awakened by the entrance of police officers. He knew nothing whatever of the opium, he stoutly protested; and the court gave him the benefit of the doubt. Mr. W. C. Moresby appeared for the defence.

Fined for Selling Beer—Before Magistrate Jay yesterday, Mrs. Mary Heller pleaded guilty to the charge of selling beer in her house at 317 Broughton Street. Police Sergeant Boulton testified that he entered the kitchen of the defendant's premises at 4:30 o'clock last Monday morning, and found the defendant serving her husband and four other men with bottled beer. The charge for five bottles of beer was $1.75, added the witness. In recording a conviction and fine of $50, the court reminded the defendant that a second offence would mean a very much larger fine, while a third conviction would bring a prison sentence without the option of fine.

Fined for Assault—Chew Fung was fined $15 yesterday by Magistrate Jay on a conviction of assaulting Chew Hor. It appeared that Chew Fung had learned that Chew Hor had accused Chew Fung of aspersing the good name of a Chinese lady, and thereby occasioning great scandal in Chinatown. Chew Fung, resenting the accusation as injuriously libellous, sent for Chew Hor to repair to the house of Chew Fung at two o'clock in the morning. Chew Hor, so repairing, met by an inflamed and resentful Chew Fung, who first of all charged Chew Hor with maligning him to, and in respect of, the Chinese lady; and then followed up the verbal passage with manual castigation, during the joyful duration of which Chew Hor sustained, item, one well and duly slapped face. Magistrate Jay intimated that all this was very indiscreet of Chew Fung, and fined him in the sum of $15.

Trial Again Remanded—The trial of Ah Lee, on a charge of consuming liquor in a public place, was begun before Magistrate Jay yesterday; but was adjourned when Mr. J. A. Aikman, appearing for the defence, claimed the right to call his client, during the presentation of the case for the prosecution, to rebut the evidence of Chief of Police John Fry that a certain alleged statement made by Ah Lee at the time of his arrest was a voluntary one. Chief Fry and Detective Rogers had testified that they found the accused and another Chinaman sitting in the box of a Chinese restaurant, at 534½ Cormorant Street, with Chinese liquor in cups before them, and a flask of the said liquor on the table. Magistrate Jay ruled that Chief Fry might give evidence as to what Ah Lee had said. Mr. Aikman obtained a remand, in order that he might produce authorities supporting his claim to call Ah Lee in rebuttal before such ruling was made.

THINKS MOTION OUT OF ORDER

(Continued from Page 1)

troduced by Mr. W. J. Bowser, K. C., opposition leader, who would eliminate all the Minister of Mines motion and substitute therefore one of his own, Premier Oliver yesterday discovered that the opposition leader's amendment was out of order and he appealed to Mr. Speaker to rule it so.

Mr. Bowser's amendment, the Premier claimed, was designed for partisan purposes, and he cited extensively from the authorities to prove his point.

The net upshot of the matter was that Mr. Speaker decided to reserve his decision on the point raised by the Premier, and the debate, for the time being, terminated.

Major Burde's Contribution

The debate was continued yesterday by Major Burde, of Alberni, who appreciated the intention of Attorney-General Manson to grapple with the difficult problem, and the latter's determination and that of members of the Government to go as far as they could in seeking a solution.

The Attorney-General, the member for Alberni stated, had initiated a strong propaganda at the psychological moment, one that was needed to impress the people of the East. He agreed with the member for Fernie (Mr. Thomas Uphill) that it took many years for the politicians to wake up on the question.

He recalled that thirty years ago, as a member of a labor union, he had moved to support white laundries and to wear nothing but union-made clothes, but all appeals to organizations outside labor ranks produced no results. But now, when the Orientals are encroaching upon business and other interests, the agitation was general. He congratulated those various organizations on the fact that after thirty years they were waking up. He believed the Bowser amendment ill advised, and he appealed to all members to unite in support of the motion by the Minister of Mines.

Japanese as Land Owners

Mr. J. A. Catherwood, Conservative member for Dewdney, pointed to the encroachments by Japanese in his own district, saying that there are about 1,450, of which 327 are land owners, who hold about 3,600 acres valued at from $200 to $1,000 per acre. He pointed to the activity of the Women's Institute there adverse to the Asiatic and their demand that British Columbia be made a white country.

Mr. N. A. Wallinger, Conservative member for Cranbrook, in his maiden effort in the House, stated that the Oriental question in his section was an old one, the first Chinaman arriving there fifty-four years ago. He was willing to give the Chinese credit for the pioneer work they did when no other race could be secured to do it. He felt that the imposition of the $500 head tax had resulted in the introduction of the indenture system whereunder Chinese here brought in others who worked for low wages while the importer secured the high wages. If, instead of the tax, some system of restricting the incoming Oriental as to occupation it would have been better.

Mr. Samuel Guthrie, of Newcastle, ran foul of the Premier several times during his remarks, the Premier raising points of order. He stated it was all very well when the Oriental was willing to work for $8 a month and do the laborers' work, but now that he was in competition with the business interests the latter were protesting.

Minister Could Solve It

"There was no objecting when the Oriental was 'scabbing' in the mines," declared Mr. Guthrie, who held the Minister of Mines could solve the question so far as the mines were concerned by making the miners' examinations so stiff that no Oriental could pass.

Premier Oliver here raised his points of order against Mr. Bowser's amendment, asserting the latter was virtually the same as that of the Minister of Mines; that it introduced a number of extraneous matters for political purposes. He produced authorities to prove that the assumption in the Bowser amendment that Canada possessed treaty-making powers was quite incorrect, and there was no power in the Dominion to interfere with the rights of the provinces. He cited the action of the Privy Council in declaring ultra vires the Coal Mines Regulation Act in 1890 which sought to prohibit employment of Chinese in the coal mines.

Mr. Bowser argued that the principal part of his amendment dealing with leaving to the Legislature the sole right to legislate as to the tenure of lands was quite new, and the Premier's argument that there was no difference in the resolution and his amendment was unfounded.

Mr. Speaker Pauline stated he would reserve his decision, and the debate ended, for the time being at least.

SEVENTEEN STRIKES DURING LAST MONTH

OTTAWA, Nov. 15.—An estimated loss of 54,502 working days, due to strikes, occurred during October, 1922, according to figures issued today by the Department of Labor. During the month there were 17 strikes, involving 3,228 working people, as compared with 18 strikes, 15,275 work people and 91,900 days lost in September, and 17 strikes, 1,897 work people and 46,036 days lost in October, 1921.

THE WEATHER

Meteorological Office, Victoria, B.C., at 8 p.m., November 15, 1922.

Blue-jay
to your druggist

The simplest way to end a corn is Blue-jay. A touch stops the pain instantly. Then the corn loosens and comes out. Made in a colorless clear liquid (one drop does it!) and in thin plasters. The action is the same.

METCHOSIN

Masked Ball

A very successful masked ball was held at the Metchosin Hall on Tuesday night under the auspices of the Metchosin Women's Institute to raise funds for the school grounds draining scheme. Over a hundred people attended, which included large parties from Victoria and outlying districts. Mrs. G. R. Mathews brought a house party, which included Miss Vivian Matson, Miss M. Sayward, Miss Peggy Hodgins, and Messrs. W. Moreton, Rordy and Randal Mathews. Mr. D. B. F. Bullen, of Langford, brought Mr. and Mrs. A. N. Brown, Mr. and Mrs. H. A. Hincke and Miss Bayles. Mrs. M. M. Brown's party included Miss Jean Donald, of Langford; Miss Scott, Mr. Allison and Mr. May, of Victoria; Miss Peggy Brown and Mr. Martin Brown, of Metchosin; Mr. and Mrs. A. S. Burgess and Miss Goodall, of Colwood. Mr. R. H. Pooley, M.P.P., with Mrs. G. R. Mathews and Miss M. Sayward, acted as judges for the best and original costumes, and their decision gave the following results: Best lady's dress, Mrs. F. A. Pearce, Serbian national dress; best man's dress, Mr. W. H. Milsted, a Viking; most original dress, lady's, Miss Kelley, an old Indian woman; man's, Mr. A. S. Burgess, a hobo. Mr. F. Fatt supplied the music for the first few dances and during the interval with a wonderphone, and the rest of the time Mrs. Gerald Schofield's three-piece orchestra kept the dancers busy and was greatly enjoyed. An excellent supper was served and after this surplus cakes were auctioned, netting a further $2.40 for the funds, making a total net profit of $46.20.

SALTAIR

Whist Drive

The Porter Chapter, I.O.D.E., Saltair, gave a very jolly whist drive and social evening last Friday in the Oyster Schoolhouse. A very nice musical programme was the first in order. Those taking part were: Mrs. Reed, who sang several songs beautifully; Mr. and Miss Russell, violin and piano solos; Mr. Collings, songs to his own accompaniment. The sum of $25 was taken. The prize winners were: Ladies, first Mrs. Griesbach, second Mrs. Bonds, consolation Mrs. Williams; men's, first Mr. John Russell, second Mr. Butler, consolation Mr. Collings. Dainty refreshments were served by the ladies. Afterward a community sing took place, in which all did their best and had a most enjoyable time. The chapter sold $10.50 worth of poppies.

CHEMAINUS

Carnival Dance

The carnival dance given by the Community Tennis Club in the Recreation Hall last Friday night was a very enjoyable one. About 150 were present. During the evening each person present was given a paper cap, a toy trumpet and a bag of confetti. Quite a few also had serpentine ribbons, and the whole effect was very pretty, but the noise was rather deafening. A good supper was served and Howard Brothers' three-piece orchestra played delightful dance music. Dancing was indulged in by many until 4 o'clock. The wiser ones left between 12 and 1 o'clock.

BED sheets and counterpanes — bath towels and bath mats that you dread to clean on wash day.

Just let them soak themselves perfectly clean with Rinso—the new scientific form of Soap in granules.

Do not put the Rinso direct from the package into the tub. Make the Rinso liquid first.

Mix half a package of Rinso in a little cool water until it is like cream. Then add two quarts of boiling water and when the froth subsides put it in a tub of cool or lukewarm water and you will have enough for a batch of clothes.

If the clothes are extra soiled, use more Rinso.

Esquimalt Women's Institute Decides to Assist in Forthcoming Concert

At the general monthly meeting of the Esquimalt Women's Institute, it was decided to lend the hearty support of the organization to a concert that is being arranged by the local Girl Guides for raising funds for uniforms, etc. Mrs. H. Clark, delegate to the central committee, reported that the Victoria Women's Institute is forming classes in public speaking and parliamentary procedure, which the members of the institute were cordially invited to join.

Mrs. R. P. Matheson, as member of the new board of directors of the Islands District Institute, announced that a silver tea would be held on December 2 in the Victoria Women's Institute Rooms, at which the directors would be hostesses. They hope as many members as possible will be present to get acquainted with their new board.

Mrs. R. P. Matheson, as official delegate to the conference, gave her report, dealing chiefly with institute work and method. Interesting reports were also given by Mrs. F. Campbell, Mrs. F. Ricketts and Mrs. Rogers. A hearty vote of thanks was accorded to all delegates.

As the next meeting on December 13 will be the annual general meeting, nominations for officers were called for. The president announced that she would not again take office, as she felt all should have an opportunity of doing so. Mrs. Matheson asked members to name another secretary for the ensuing year. The names submitted were: For president, Mesdames Matheson, Palmer and Rogers; for first vice-president, Mesdames Wise and F. Campbell; for second vice-president, Mesdames McQuarrie and Jacklin. Other nominations will be made at the next meeting, when ballots will also be taken.

CIVIL SERVANTS DANCE

Plan Function on Monday in K. of C. Hall—Will Hold "At Home"

The first dance of the Civil Service Association for the season will be held on Monday evening next, from 8:00 to 12:00, in the K. of C. Hall. The music will be rendered by Oxard's orchestra. All civil servants and their friends are invited to attend.

An "At Home" ball is being arranged for Thursday, December 7, to be held in the Alexandria ballroom, under the auspices of the Civil Servants' Association. Members of the committee who are arranging the affairs follow: Miss Steele (Treasury), Miss Holmes (Library), Miss Hill (Agricultural Branch), Miss Carter (Land Settlement Board), Miss Service (Audit Branch), Mr. O. Barton (Courthouse), Mr. S. Featherstone (Water Branch), Mr. A. Manson (engine room), Mr. J. McCready (Public Works Department), Mr. F. O. Morris (Survey Branch).

SISTERS ARE GRATEFUL

The Nursing Sisters of the city, the Sixteenth Regiment and the Fifth Regiment desire to express their grateful appreciation for the assistance and kindness which was shown by those who worked for the recent successful Armistice Memorial Ball; to those who contributed to the publicity in the papers under "Armistice Amenities" and "Armistice Happenings"; to Messrs: The Hudson's Bay Company, Spencer's, Limited, Angus Campbell, The Owl Drug Store, Fletcher Brothers, Kent's Edison Store, and others who assisted in the sale of the tickets; and those who assisted in the publicity by so beautifully decorating their show windows. They desire also to thank the Navy Yard, Work Point Barracks, the Canadian Pacific Steamship Company, Messrs: Pemberton's, Macey-Abell Company, Ltd., and others who gave assistance in the decorations.

The above units wish to tender thanks to The Colonist and Daily Times newspapers for the kindly help with which they promoted the endeavors of the above units.

WEDDINGS

Clark-Carlow

A quiet wedding took place on Tuesday evening at Breadalbane, 1125 Fort Street, when the Rev. Dr. Campbell officiated at a ceremony which made Miss Evelyn Carlow the bride of Mr. Orville Edward Clark, both of Victoria. The bride was very pretty in a traveling suit of brown serge with hat to match. The groomsman was Mr. W. E. Clark, the bridegroom's brother.

ARISTOCRATS BEATEN IN FIRST ENCOUNTER

Stonewall Goaltending by "Happy" Holmes and Brilliant Offensive Work by Frank Foyston Chief Factors in Seattle Metropolitans' First Victory on Their Home Ice

SEATTLE, Nov. 15.—To "Happy" **Holmes belongs** much of the credit for **Seattle's victory** tonight over the **Victoria Aristocrats** in the first brush of **the season** here tonight. The Seattle **goalie stopped** all comers and made **possible** the four to nothing edge **with** which the southerners finished the game. Captain Frank Foyston, who scored three in a row, and his men took kindly to six-man hockey, especially in the matter of defence. The visitors' rushes, skilfully planned, were often ended at the blue line. When they did get past the defence Holmes was on the job.

After the first ten minutes, the brand of hockey was excellent, and Victoria lacked only a little finish in combination to match their opponents. The Aristocrats showed up particularly well in the second period, but on every effort just missed the nets.

Rather Disorganized

The Victorians looked a bit disorganized. They have the speed and dash, and their defence was good, except in the opening period. The Seattle men did not give them an opportunity to catch their breath tonight. They hopped to the offensive at the start and never relinquished it until they had amassed a commanding lead.

Three and a half minutes after the start of play, Foyston and Walker swung down the ice abreast, Foyston taking a centre shot which eluded Fowler. Less than three minutes later Frank flanked Clem Loughlin and scored again from the wing. The visitors' defence stiffened at this stage, but again Foyston broke through, this time after 13 minutes of play, taking a pass from Jim Riley, and picked a corner of the net.

In the second period the fastest of the three, the Aristocrats showed their best form. Victoria had the home club on the defensive in this frame, and only brilliant work of Rickey, Rowe and Holmes prevented a few scores. Jim Riley had a chip on his shoulder, and was banished twice for rough checking in this period, once for ten minutes.

A Hot Session

The final session was hotly contested, both goalies featuring with good saves. The visiting stick handlers wormed their way through the Seattle defence on several occasions, but they could not get anything through Holmes.

Bernie Morris scored Seattle's final point twelve minutes after play started with a solo rush, which put him in position to score from a wing.

Summary

First period—1, Seattle, Foyston from Walker, 3:39; 2, Seattle, Foyston, 2:40; 3, Seattle, Foyston from Riley, 12:52.

Second period—No score.

Third period—4, Seattle, Morris, 11:39.

Final—Seattle, 4; Victoria, 0.

Penalties—First period: Morris, Meeking.

Second period—Riley, 10 minutes; W. Loughlin, Riley.

Third period—None.

Line-Up

Victoria	Position	Seattle
Oatman	right wing	Morris
Fredrickson	Centre	Foyston
Dunderdale	left wing	Walker
W. Loughlin	right defence	Rickey
C. Loughlin	left defence	Rowe
Fowler	goal	Holmes

PROJECT AFOOT FOR TOURNAMENT

Plans Being Discussed for Big International Open Golf Championship to Be Held on Colwood Links

WOULD DEMONSTRATE CLIMATIC ADVANTAGES

Golf All the Year Round Is Enjoyed in Few Other Countries Besides Vancouver Island

The popularity of golf in Victoria has been growing by leaps and bounds lately. That is obvious. What is also obvious to the golfer who is resident here is that Victoria's climatic advantages have a lot to do with the enjoyment of his favorite game. There are few places in the world where golf can be played the whole year round, but Victoria is one of them. That very pleasant fact is something which the average golfer takes as a matter of course, but among the prominent golfers of this fair city are some who are prominent citizens also and who have time in the intervals of indulging in the Royal and Ancient game to devote to the furthering of the interests of their city.

With a view to capitalizing the climate of this part of the world and letting other people besides the residents know of its advantages, it occurred to one, or several, of Victoria's public-spirited men, who are also good golfers, that there could hardly be a better way of advertising the climate than by holding a big international tournament here at Christmas time. The original project was to stage at the links of the Colwood Golf and Country Club, the finest championship course in the Northwest, a big open tournament for both amateurs and professionals.

So far nothing definite has been decided on in the matter, but several conferences have been held and officials of the Victoria & Island Development Association consulted on the project, and it is hoped that plans will take definite shape before long. It is understood that an effort would be made to raise a purse of at least five thousand dollars in order to make it worth while for the leading professionals of the continent to compete. There is no doubt that such a tournament would be a great advertisement for Victoria, and it is hoped that plans for holding it, which are at present in the embryonic stage, will take definite shape before long.

JORDAN RIVER FIVE WINS IN BASKETBALL GAME WITH THE BAYS

JORDAN RIVER, Nov. 14.—Last Saturday saw a team of balltossers from the J. B. A. A. at the local recreation hall, where a close and exciting game was staged with the River team.

During the first half honors were even, each team taking a turn at leading, while the half-time whistle saw a score of 17 all. The second period began with the Riverites on the aggressive, and they obtained a lead which was held for the remainder of the game, the final score being 37-33 in their favor.

Intense interest was shown by the spectators and all good plays given hearty applause. Harry Lea acted as referee and gave entire satisfaction to all.

The teams lined up as follows:

J. B. A. A.—Forwards, Bradley and Dunn; centre, Allen; guards, McLachlan and Riddell.

Jordan River—Forwards, Elliott and Ledingham; centre, Watson; guards, Holmwood and Lines.

Following the game a dance and supper was held in the Social Hall, which everyone voted was a huge success. Gump's orchestra supplied the music for the evening.

Berlin was originally a Wendish fishing village named Kollin.

SPORTING NEWS

Fitz's Soccer Team Attains Victory at Expense of Weilers

Tail Enders in Wednesday League Take Fall Out of Leaders and Last Season's Champions, Scoring Only Goal of Hard-Fought Match at Athletic Park

All honor to Fitz's soccer team. Coming in at the last in a sporting spirit with the object of making the much-desired fourth team in the Wednesday League, they have been making a game struggle in the race for the league honors, albiet occupying the tail-end position in the standing. Yesterday they took a fall out of the leaders, Weilers, champions of last season, thereby boosting their stock considerably. It is certainly a feather in their cap to have scored their first victory of the series from the leaders.

And there was no fluke about it yesterday; they fully deserved their success and are to be congratulated on the improvement shown in their team play since their first match. Yesterday's game may not have been a perfect exhibition of the association game, but there was plenty of action and no loafing on the job on either side.

Fitz's won the match with a single goal to their opponents' nil.

Ragged at First

The first half of the game was rather ragged, and with the slight slope in their favor Weilers had rather the better of matters, being down in their opponents half of the ground far more often than their own territory was invaded. Had they been able to shoot, the tale might have been a different one. Hay had bad luck with a good shot, which skimmed the bar, but otherwise the marksmanship was poor.

The chief interest of the game was contained in the second half. Fitz's made a very determined effort right at the start, and, after they had brought a fierce attack right up to Weilers' goal and some good passing ended with an excellent shot by Pocock, which was well stopped, it was not long before they were rewarded with a tally, White scoring with a good shot. This was scored three minutes from the resumption of play after the half-time interval.

Good Chance Lost

Shortly afterwards Weilers missed a good chance to even up when Livingstone, on the left wing, missed his kick after his inside man had sent him a good pass and there were three Weiler forwards dangerously near the Fitz's goal. From this point on until near the end of the game Fitz's really showed the better football. Weilers made desperate efforts towards the close of the game to get on terms and several times the Fitz's goal had narrow escapes, but Jasper and the backs in front of him were equal to their job and everything was blocked. In turn Fitz's made a dangerous attack, but Lomas was equal to the occasion.

There was a lot of excitement on the sidelines in the final minute or two of the game as it was realized that the tailenders were being hard pressed to retain their advantage, but no further score resulted before Referee Locke blew the final whistle.

Ball Was Greasy

A heavy downpour of rain in the second half, which made the very fair number of spectators who watched the game scurry for the grandstand, made the ground slippery and the ball greasy, which had something to do with a number of miskicks, but the class of soccer was by no means bad and the interest was well sustained. The teams were:

Weilers—Lomas; Copas and Newman; Hall, Sweeton and Baker; Stewart, Hay, Harper, Fletcher and Livingstone.

Fitz's—Jasper; Grimes and Gibson; Robbins, Sharrock and Lynn; Sharcott, Erskine, White, Warren and Pocock.

GERMAN PLAYER SETS TOURNAMENT RECORD

Hagenlacher Is Defeated, However by Walker Cochrane in Balkline Billiard Tonrney

NEW YORK, Nov. 15.—Walker Cochran, American star, defeated Erich Hagenlacher, German champion, 500 to 451 today in the fourth match of their international 18.2 balkline billiard tournament.

Although defeated, Hagenlacher set a record run for the tournament of 173. His other runs were 140 and 72. Cochran, forging from far behind in order to win, had high runs of 140, 82 and 69. His average was 33 5-15 and Hagenlacher, 31 6-15.

In the evening game Jake Schaefer beat Roger Conti 500 to 251.

BAN JOHNSON THROWS THREATENED BOMB

Proposes American League Boycott Minor Leagues Which Hold Out Against Draft

NEW YORK, Nov. 15.—A proposal that the American League boycott the minor leagues which have held out against the draft will be made by Ban Johnson at the December meeting of the junior circuit in New York, according to reports here today. This, it was said, is the bomb which Mr. Johnson said recently he intended to toss into the meeting.

The draft question has been agitating baseball for the last two years. The five minors which are not bound by the draft agreement are: American Association, International League, Pacific Coast League, Southern Association and Eastern League.

WILLIE HOPPE GIVES IMPRESSIVE SHOW OF SKILL AT BILLIARDS

NEW YORK, Nov. 15.—Willie Hoppe gave one of his most impressive exhibitions with the cue and ivory globes while engaged in defeating Edouard Horemans, the Belgian champion, last night, in the 18.2 balk line billiard championship tournament. He outplayed the Belgian by the score of 500 to 177.

Hoppe's employment of English, angles and speed so completely mastered Horemans as to leave him hopelessly trailing after the early innings. Hoppe's average was 55 5-9, the best of the tournament so far, and his high runs 134, 99 and 97.

Horemans' average was 19 6-19, his best runs 70, 62 and 25.

LARGE CROWD SEES HARD FOUGHT GAMES

Y.W.C.A. Wins From Gordon's, The Times From B.C. Telephone No. 1 Team, and V.I.A.A. From Spencer's

Before a large number of spectators, the Victoria City Ladies' Basketball League got away to a start last night, when three games were played in the Trades Hall, Broad Street.

The results were: Y.W.C. defeated Gordon's, 36-6; Times defeated Telephone No. 1 team, 32-5; V.I.A.A. defeated Spencer's, 12-3.

The score at half time in the first game was 22-6, in favor of the Y.W.C.A. team, which succeeded in securing 14 more points in the second half while preventing its opponents making any further increase. Alex Main refereed the game, which, if it lacked science, contained plenty of energetic play by young ladies who did not appear disposed to allow rules to interfere with obtaining the desired results.

The teams were:

Gordon's—E. Wylie, P. Van Sicklyn, S. Porter, V. Shmelt and M. Standish.

Y.W.C.A.—B. Blaphem, G. Thorpe, G. Wellburn, N. Trotter and M. Mitchell.

Miss Van Sicklyn secured the six points obtained by Gordon's, while Miss Thorpe was top scorer for the opposing team, with 26 points to her credit.

A Faster Game

The second game was much faster than the first. The telephone girls worked hard, but the superior weight and experience of The Times players assisted them in winning by a large score. The supporters of the teams were out in large numbers, and were on their feet continually applauding the work of the players.

At the end of the first period The Times team was leading by 22-3. Miss Mitchell replaced Miss Bessie Forbes in the second half. The referee was Scotty Dowds.

The teams were as follows:

Times—M. Hannan, M. Daniels, G. Elliott, S. McGill, B. Forbes and M. Mitchell.

B. C. Telephone No. 1—R. Robertson, R. Gardler, M. Mason, C. Land and C. Robertson.

Miss Hannan scored 16 points, Miss Elliott 14, and Miss Daniels 2 for The Times, while Miss C. Robertson secured the 5 points for the Telephone team.

Best of the Lot

The third game was the most evenly contested one of the evening. The forwards got away time and again, only to be robbed of the ball by the opposing guards before getting within shooting distance of the basket. At the end of the first period the score was 4-4. Miss Campbell replaced Miss Deakin, and Rota Humber was substituted for Miss Passmore in the second period. Both teams fought hard for the lead. On two occasions the score was tied and stood 3-3 until the last three minutes, when the V.I.A.A. forwards staged a couple of rushes, secured two baskets and won the game 12-3. Bill Erickson handled the whistle to the satisfaction of both teams.

The teams were:

Spencer's—M. Cox, I. Deakin, E. Marshall, A. Hole, T. Dingwell and B. Campbell.

V.I.A.A.—Mrs. Davies, E. Lind, V. Shakespeare, V. Whitmore, S. Passmore and R. Humber.

The next games of the league will be played on Friday, November 24, and will be between the following: High School vs. Telephone No. 2; College vs. Normal; Times vs. Y.W.C.A.

FOOTBALL MEETING TONIGHT

A meeting of the Victoria and District Wednesday Football League will be held in the Veterans of France clubrooms tonight at 8 o'clock. All delegates are requested to attend.

JACKSON CUP ENTRIES

The last date for receiving entries for the Jackson Cup soccer competition, which were called for by November 15, has been put back to Tuesday next, November 21. This was the decision made at the meeting of the District Governing Board held in the Veterans of France rooms last night. The entries already in are: Victoria Wests, Garrison, Weilers, Metropolis, Crusaders, Sons of England, Sons of Canada and Thistles.

OPENING MATCH HERE TOMORROW

Lester Patrick's Stickhandlers Return From Seattle This Afternoon to Prepare for Home Match

INITIAL GAME AT THE ARENA FRIDAY

Local Fans Figure Aristocrats Should Win in Battle Against the Vancouver Maroons in Opening Test Here

Lester Patrick's tribe of puckchasers will return to Victoria today on the afternoon boat from Seattle, where they played their opening match of the season last night, and will get out on the Willows pond and go through a number of exercises in preparation for the big game at the Arena tomorrow evening, when the local boys will entertain the Maroons from the Terminal City.

Seats for Friday's match were thrown on sale yesterday morning, and as in former seasons there was a long line-up at the Arena office at 9 o'clock. A large number of seats were booked yesterday, and patrons wishing to obtain the choicest places from which to witness the hockey struggle are advised to make their reservations without delay.

The initial contest of the year in Victoria usually draws a capacity crowd to the local ice palace, and in the past more than 3,000 hockey fans have been on hand to witness the rival squads oppose each other in the opening mix on the Aristocrats' pond. From present indications it appears that the Capital City Arena will have a full house to greet the respective sextettes.

Look for Victory

It is no secret among the Aristocrats' supporters that they have no doubt whatever about the blue and gold stickhandlers coming through on the long end of tomorrow night's score. The railbirds who have watched the local men go through the workouts twice each day last week are full of confidence that Victoria will be able to turn the trick. With every man on the job and playing on home ice, the Aristocrats should make a promising showing in their first official appearance here.

The Vancouver boys, captained by Lloyd Cook, will be over to revenge themselves for the stiff licking which they were handed in the opening contest of the season on Monday evening by the Seattle Metropolitans, who played in mid-season form and uncorked a brand of hockey that was quite unexpected in the first tussle of the year. The final score on that occasion was eight goals to two in the Americans' favor.

The Maroons are quite handicapped by the absence of three of their last season's regulars. Hughie Lehman, more familiarly known as "Eagle-Eye," undoubtedly one of the greatest goalies in the game, will not be able to report to the Vancouver manager before the first day of next month. The visitors will again miss his presence very keenly, although Charlie Reed, of the Calgary Club, who is substituting in the cage, will do his best to prevent the puck from entering the Mainlanders' goal.

Minus Two More

Jack Adams, the flashy Vancouver player, who led the league last Winter in scoring averages, will not return to the Coast to play this season. The third regular, who will likely be absent from the Vancouver line-up tomorrow night, is Art Duncan, the burly defence star, who is not a little help to Lehman. Duncan had been holding out until the beginning of the week, when he came to terms with the Maroons' management. He has not had much opportunity to get into condition, and it is very doubtful if he will play with his teammates in tomorrow evening's struggle.

Should the game, after the three periods of twenty minutes each have been played, result in a tie, after ten minutes' rest play will continue for not more than twenty minutes without change of goals, or until one side scores a goal; it being understood that any extra time shall be considered part of the match and all unexpired penalties remain in force. In case of a tie at the end of overtime period the match shall then considered a draw.

The standing of the clubs will be figured throughout the season on a point system, two points for a win and one point each for a draw. At the end of the league schedule, if two teams in the same loop tie for first place, they will, of course, take part in the league play-off. Should two teams tie for second place, the club scoring the highest number of goals in comparison with goals scored against, shall be the team eligible to play off with the team standing highest in the league.

DATE IS FIXED FOR INTERCITY HOCKEY

The date has been fixed for the first intercity grass hockey game between the Island and Mainland for the O. B. Allan Cup. This game will be played on December 2 in Vancouver.

BAYS WIN FROM GARRISON TEAM

Representatives of Big Store Net the Only Goal of the Match Played at Work Point Yesterday

TWO TEAMS NOW EVEN IN LEAGUE STANDING

Nothing Registered at Half-Time—Jimmy Allen Shoots the Winning Tally in Wednesday Game

The Hudson's Bay Wednesday soccer team advanced another two points in the league standing yesterday at the expense of the Tommies from Work Point, whom they defeated 1-0 in one of the best exhibitions of soccer so far displayed this season. At half-time no score had been registered, but about ten minutes after the rest interval Jimmie Allen, playing centre half for the Bays, shot the pigskin past Waggett, the Tommies' net custodian, for the only tally of the day.

From the kick-off it was easily seen that the Bays meant business, and right away the Garrison goal was bombarded with shots of all descriptions, and only the sensational work of Waggett, guarding the Tommies' citadel, saved his team from an early defeat. This attack on the Garrison goal did not last long before the play veered to the Bays' end of the field, and Shrimpton, in goal, was given a few shots to clear, all of which he handled in fine style. When the game had been in progress about ten minutes the Tommies missed a golden opportunity to score, when, with the Bays' goal empty and one of the Garrison men in possession of the ball, this player, instead of shooting into the open goal immediately, steadied the ball, thereby giving Shrimpton a chance to get back into his goal, and the shot which should have tallied was cleared and this opportunity was wasted.

Steady Bombardment

This close call on their part seemed to give the Bays new energy, and for the next twenty minutes they put up a real bombardment of the Garrison goal, but the opposing net custodian was on the job, and all the attempts of the Bays to score were shattered by the sensational work of the Tommies' goalie. From now on until half-time the play was from one end of the field to the other, with the Bays having a slight advantage, but each team found the opposing defence too strong, and when the whistle sounded denoting the time for a rest, no score had been registered.

Upon resuming play, the Bays came back strong, and were determined to get into the lead, which they eventually did when Allen beat the Tommies' backs and, when within five yards of goal, sent in a real hot shot, which beat the Tommies for the only goal of the day, the goalie having no chance to save. With this tally to their favor, the Hudson's Bay played a defensive game, and for the best part of this half the play was all in the Bays' territory, with the exception of an occasional breakaway of the Bays' forwards, but their attacks on the Tommies were never hard enough to enable them to increase their lead.

A Stubborn Defence

With about twenty minutes to go, the Garrison put up a real bombardment of the Bays' goal, and the backs and Shrimpton, in goal, were given plenty to do to stave off the attacks of the fast Tommy forwards, who were now fighting might and main in an endeavor to tie the score; but the Bays were in the lead, and there they intended to stay, and there they did stay, thanks to the brilliant football displayed by their defence, under the guidance of Jimmie Allen, who had now dropped back on the defence, and the Garrison found it impossible to boot the tally past the Bays' net custodian for the tying score, and when the whistle sounded for time the Bays were declared the victors with a score of 1-0 to their credit.

The Hudson's Bay won the victory, and they deserved it, as many a time when the Tommies had a chance to break into the score column they only wasted it by bad shooting; but with the Bays their shooting was good and the football displayed by this team was of high calibre. For the winners, Jimmie Allen was easily the hero of the day, with Caskie, at outside right, playing good ball. For the Tommies, Waggett, in goal, was easily the best man on his team, and to him no little credit is due for the small score against the Tommies. Percy Payne acted as referee, and the teams took the field as follows:

The Line-Up

Hudson's Bay—Shrimpton; Hetherall and Smith; Woods, Allen and Arnstead; Caskie, Stewart, Turner, Alcock and Richardson.

Garrison—Waggett; Waggett and Armstrong; Mitchell, Spiers and Ward; Cummings, Biss, Coulter, Grieve and Hussleton.

WEDNESDAY SOCCER

FOUR TEAMS ALL VERY CLOSE NOW IN RACE

League Leaders Are Now Only Two Points Ahead of Tailenders in the Standing

	P.	W.	L.	D.	Pts.
Weilers	6	3	3	1	7
Garrison	7	2	3	2	6
Hudson's Bay	7	2	3	2	6
Fitz's	6	1	2	3	5

The above is the standing of the teams in the Victoria and District Wednesday Football League. Judging by the figures, the four teams in this league are fairly evenly balanced, and to pick a winner for the Pendray Cup would be almost an impossible task. The brand of soccer displayed by these teams is certainly a credit to them, and as the season goes along some good battles will be expected from these teams which are at present running very closely for the league leadership. With the league just in its infancy, and the race for the coveted silverware so keen, it is quite possible that the four teams will finish with very little difference in their standing. The Victoria and District Wednesday League is only a new league and the following which it is receiving from the sporting public is proof of its popularity.

COLONIST BOWLERS WIN FROM STOCKERS

On the alleys last night Stockers were beaten by The Colonist. The first game they lost by 136 pins, and although they rallied in the second, Stockers were unable to keep up the pace and lost by a total of 234 pins. Griffith was high man on The Colonist team, with 492 pins, and Manson, of Stockers, with 423.

COWICHANS PLAY HERE SATURDAY

First Intercity Rugby Match Will Be Played Against the Wanderers at the Oak Bay Grounds

VANCOUVER WILL PLAY 'VARSITY ON MAINLAND

New Policy Adopted for Securing the Best Possible Representative Team in McKechnie Cup Series

The Cowichan Rugby team will be down here on Saturday of this week to tackle the Wanderers in the first match of the knockout series for the Cowichan Rugby Trophy. With this intercity contest on the football programme of the day, there will be only one senior league match played on a local ground, the J.B.A.A. meeting the Canadian Scottish at the Willows.

The Cowichan-Wanderers match should be full of interest, and it is by no means a foregone conclusion that the local team will win. Judging from the results obtained by Victoria Rugby teams in the matches played against H.M.S. Capetown, and comparing their achievements with those of the Cowichans when they met the sailors, it would appear that Cowichan has a more than good chance against any Victoria club side. The Wanderers defeated the Capetowns, it is true, but not with the ease with which Cowichan turned the trick, and the naval side had the better of matters in their first game here against the V.I.A.A.

No More Replays

The Victoria Rugby Union has decided that in future no schedule games defaulted will be replayed, thought it is probable that the match defaulted to the Wanderers by the Canadian Scottish will be played, as well as that defaulted by the Wanderers to the J.B.A.A. last Saturday, when the Wanderers failed to field a team owing to many of their players wanting to attend the memorial service of Armistice Day.

Selecting Rep Team

Following a determined policy to field the best possible team in the intercity McKechnie Cup series this year, the selection committee of the local Rugby Union will select on Friday twenty-five players to go in training with a view to catching places on the Victoria team. These men will be given good coaching and everything possible done to turn out the best possible fifteen to represent this city in the series.

VANCOUVER, Nov. 15.—The Vancouver Representative Rugby team will play the University of B. C. McKechnie Cup team at Brockton Point on Saturday afternoon.

Each team has already played one game this season, against the Edmonton visitors a week ago. Judging from the results of these games there should be a pretty tough fight on Saturday. The Varsity have a heavy pack of forwards who are dangerous in the loose. The halves will also stand watching and may be depended upon to keep the Vancouver halves busy. The three-quarters are fairly strong in defence and if they improve their passing they should give a good account of themselves.

The Vancouver team has some good forwards to pick from, and from the last display should have the better of the scrums. The three-quarters are fast, while the halves should make a good match for the Varsity pair.

Unfortunately George Thom of the Rowing Club will not be sufficiently recovered to play and will, therefore, not be included in the team.

Col. Dick Bell-Irving will referee the game.

VETERAN BALL PLAYER ARRESTED ON CHARGE OF PICKING POCKETS

WASHINGTON, Nov. 14.—Paul M. Hines, "midfielder" for the Providence Baseball Club, of the old National League in the '70s and for the Washington Club in the early '90s, was arrested tonight on a pickpocket charge. He is said to be the first major league player to make a triple play unassisted on May 8, 1878, when with the Providence Club, and the record is declared to have been equalled only once since in major league games. He was released under bond of $1,000.

According to the police Hines, who is 69 years of age, when confronted with the charge, broke down and said: "I have played my last game and lost."

AUSTRALIAN CHAMPION WINS FROM ORTEGA

PORTLAND, Nov. 19.—Sailor Tom King, middleweight champion of Australia, beat Battling Ortega at Milwaukee in ten rounds last night. The Battler was almost gone in the tenth, but managed to stick it out. It was a hammer-and-tongs slugging match throughout, with King on top of Ortega most of the way. In the fifth Ortega staggered King momentarily with stomach punches and a couple of rights to the jaw, but in no other round was the sailor in trouble.

In the semi-windup Johnny Trambitas won a technical knockout over George Welch, of Seattle, in the third round of an eight-round bout.

JOE SIMONICH WINS FROM SAMMY TERRIN

BUTTE, Nov. 14.—After Joe Simonich, of Butte, had taken every round by a wide margin from Sammy Terrin, of St. Paul, Mike Gibbons, manager of the Minnesota boxer, who was in distress, ended the fight in the tenth round by tossing a towel into the ring. Simonich weighed 149 and Terrin 147. Simonich carried the fight to Terrin from the start of the bout, which was scheduled for 12 rounds.

Farmer Lodge, 222 pounds, also a member of the Gibbons-Collins St. Paul stable, had things his own way in what was scheduled for a ten-round go with George Pappas, 188, of San Francisco, and scored a technical knockout when the fight was stopped in the second round.

SPORTING LITERATURE IN PLYMOUTH FIGHT

Amusing Features in Various Parts of England During Election Are Expressive

LONDON, Nov. 15.—Election literature, which appeared yesterday in Plymouth, is the subject of much comment here today. Lady Astor, the sitting member for Plymouth, was opposed in that constituency by Captain G. W. Brennan, Laborite, and Dr. H. W. Bayly, Independent Unionist. The campaign was a particularly strenuous one, Lady Astor having been under fire from both Laborites and anti-prohibitionists. Plymouth, despite its Puritan associations, is a great sporting centre, and the following announcement, distributed in the form of printed circulars yesterday, is reported to have made a big hit with many of the electors:

"Plymouth, on Wednesday the following will go to the post for the Sutton Stakes:

"Drake's Drum, by A. Patriot, out of Common Sense; owner, John Bull; trainer, L. I. Berty; jockey, Straight; colors, Union Jack.

"The Virginian, by A. Swank of Dollars; owner, A. Syndicate; trainer, G. O. Dry; jockey, Stiggins; colors, black cap, skull and crossbones, blue, white and yellow stripes, blood red sleeves.

"Capital Levy, by Fanciful and Misguided; owner, X. Ploiter; trainer, I. Pinchall; jockey, B. Olshy; colors, red.

"Prices: 6-4 on Drake's Drum; 3-1 against Virginian; 10-1 Capital Levy."

The odds quoted indicate the source of the circular. Despite Labor's confidence, the general view here appears to be that Lady Astor has a good chance of winning.

Reports of many other amusing features of the campaign have been received from various parts of the country. In one constituency, where the workers were bent on tracing every voter, the "dead list" has four ruled spaces set apart for the insertion of the name of the voted, last address, when deceased and "new address."

Admiral Sir Guy Grant, Conservative candidate for the Buckrose division of East Yorkshire, told a crowd of farmers recently that he had been requested not to say "Damn" any more. He therefore served notice that if he did say "damn" what he really meant to say was "Bother."

WANT ACTION TAKEN

(Continued from Page 1)

over the Community Chest budget and the appropriations that would be given to the various local organizations. The matter was referred to the executive council with instructions to call other ex-service organizations here together.

The Legion received a reply to their query regarding the remuneration which returned men were forced to lose owing to their having to appear before pension boards for examination. The S.C.R. Department wrote that consideration of proposed amendments of those regulations governing reimbursement were being made, and that in the meantime the legion's office may accept statutory declarations from those men who are employed in business for themselves and naturally cannot accept certificates from an employer.

It was announced that through the Legion's efforts Mr. E. F. Hayward, of Smithers, B.C., who was discharged from the army in 1919, had recently obtained a gratuity of $910 for ninety-two days and a $10 clothing allowance; that a pension of $30 per month had been secured for the parents of a boy killed overseas, and that prize money totalling $80 had been obtained for a member of the Legion.

Resolution of Thanks

A resolution of thanks was passed to the Armistice Period Committee, and especially to its secretary, Comrade Robert Macnicol, for the success attending the Armitice Day arrangements, to the members of the various ladies' auxiliaries, under the convenership of Mrs. A. Murdock, who assisted so energetically in the sale of poppies, and to the officers and members of the Fifth Regiment for their co-operation in the community dance.

It was announced that the first annual dance of the Womens' Auxiliary to the Canadian Legion will be held on Friday night, December 1. Music will be supplied by Hunt's orchestra, and the affair will take place at the Alexandra ballroom.

The secretary reported that eleven new members had been secured since the last meeting.

VETERANS SUPPORT EIGHT-HOUR BILL

G.A.U.V. Executive Endorses Major Burde's Measure—Wants One Christmas Tree for All

A resolution supporting Major Burde's eight-hour day bill was passed by the executive of the Grand Army of United Veterans last evening in the club rooms on Langley Street. This measure is now before the Legislature.

The G.A.U.V. executive also decided to ask the various ex-service organizations to combine for the holding of one Christmas tree this year, instead of each having one of its own as in the past.

PACT REFUSAL LOST BOTH PARTIES SEATS

Labor and Liberals Suffered by Refusing to Agree—Labor Successful in Lancashire

LONDON, Nov. 15.—It is already evident that the refusal of the Labor Party to enter into an election pact with the Liberals will lose seats for both sides.

A noticeable example of this was at Stockton-on-Tees, where a Georgian Liberal was elected with a majority vote of 13,398, the combined votes of the opposing Asquithian and Labor candidates being more than 20,000.

Notable Gains

Labor made notable gains in the Farnsworth division of Lancashire, where T. Greenall, Labor, was elected with a vote of 13,391. But this also was a return with a minority vote, he being opposed by Liberal and Conservative candidates. Labor's victory here was probably due to Lancashire's revolt against the Safeguarding of Industries Act.

Facial Blemishes

Sallow, muddy, roughened or blotched complexions are usually due to constipation.

When you are constipated, not enough of Nature's lubricating liquid is produced in the bowel to keep the food waste soft and moving. Doctors prescribe Nujol because it acts like this natural lubricant and thus replaces it.

Nujol is a lubricant — not a medicine or laxative — so cannot gripe. Try it today.

CANADIAN FARMER CASE CONTINUES

CAPT. BOYD TESTIFIES ON ACCIDENT TO HIS SHIP

Says Obstruction Hit Near Danger Reef Was Not Rock—Casuality Trivial, Says Commissioner

The evidence of Captain William J. Boyd, former master of the Canadian Farmer, occupied the attention of the marine court of inquiry Tuesday, when the investigation was resumed at Vancouver, under Dominion Wreck Commissioner J. D. MacPherson and nautical assessors Captain A. P. Williamson and Commander Watkins. The vessel was proceeding through Stewart's Channel, off Danger Reef, on the night of June 18, when she struck some obstruction.

The former master declared that the ship was in the middle of the channel and that she struck when swinging under port helm. He could not see the Portier Pass light, but could see the buoy on his starboard bow. He stopped the engines immediately after striking and had soundings made fore and aft. He proceeded full steam ahead a few minutes later when he found that there was no leak.

"It couldn't have been a rock," he declared in evidence, "for the dent was only a small one and the vessel was not scraped. She was drawing 14 feet forward and 19 aft."

Commissioner MacPherson pointed out that this passage was not used by local pilots unless the Miami wreck could be clearly seen, but that the accident was apparently a very trivial casualty and that there was not need for drastic action.

"Even if the vessel struck Danger Reef it might not be a reprehensible thing," he declared.

Albert J. Edgecombe, formerly the first officer of the vessel and now in command, was on the witness stand for a few moments when counsel asked for production of the scrap-log-book. This had been destroyed, he declared, as it was not the custom of the C.G.M.M. to keep the memorandum books which the officers used.

Fred C. Duncan, a marine fireman who was on the Canadian Farmer at the time of the accident, also gave evidence. He declared that he had no knowledge of any damage being done in the engine-room by the collision, and expressed the belief that it sounded as if the ship had struck a log rather than a rock.

The inquiry is continuing.

R.M.S.P. SHIPS

Findlay, Durham & Brodie, R.M.S.P. and Holland America Line agents, have been advised that the M. S. Loch Katrine sailed from Hamburg November 9 for the Pacific Coast via the United Kingdom. SHIPS IN TROUBLE IN VANCOUVER FOG

ADMIRAL SCHLEY HITS FERRY—LITTLE DAMAGE

Isthmian Line Steamer Pacific Goes Aground in Narrows, But Floats Off Undamaged in Afternoon

VANCOUVER, Nov. 15. — Two slight marine casualties are reported on account of the heavy fog of last night. The Pacific SS. Company's Coast steamer, Admiral Schley, bumped the North Vancouver ferry in very thick fog, and broke some windows in the ferry boat. The impact was slight.

The steamer Pacific, of the Isthmian Line, Captain Medham, was aground on the north shore of the First Narrows here at the entrance to the harbor, having touched bottom during the fog which prevailed. The vessel struck at low tide. She floated shortly before two o'clock this afternoon and proceeded on her voyage, apparently undamaged.

The tugboat Stetson, a local owned craft, is also aground in the Narrows not far from the Pacific. The Pacific was outbound for New York with a cargo of lumber, copper and other freight. It is not thought that the vessel is damaged.

SINKING ITALIAN SHIP

HALIFAX, Nov. 15.—The Italian steamer Monte Grappa, previously reported sinking, has been abandoned by her crew in mid-Atlantic, says a radio message from Cape Race received today by local agents. All are believed to have been safely transferred to the White Star liner Pittsburgh, which answered the Monte Grappa's distress signals.

LEAVES ALBERNI

The Swedish M. S. Lyngern was due to leave Port Alberni for Portland, Oregon, yesterday. The vessel has been loading lumber at the West Coast port for Australia.

VESSELS TIED UP IN AUSTRALASIA

SIXTY THOUSAND TONS OF SHIPPING IDLE AT SYDNEY

Unemployed Waterfront Workers at Auckland Total Thousand—Compromise at Melbourne

MELBOURNE, Nov. 15.—The crew of the steamer Orviteo, who went on strike a few days ago, are gradually returning to their ship, 162 coming back yesterday and 425 today. It is thought the remainder will return tomorrow, the men having guarantees that they will not be penalized after their arrival in England.

At Sydney, 60,000 tons of shipping is laid up owing to the depression and to Japanese competition.

At Auckland sixty vessels, aggregating 84,000 tons of shipping, are idle, and probably the number of unemployed among the waterside workers will reach 1,000 by the end of the week.

In consequence of the strike, the New Zealand employers are beginning to man their ships with free labor.

Union Company Suffers

VANCOUVER, Nov. 15.—A special cable to The Daily Province from Sydney, N.S.W., says:

"All the steamers of the Union Steamship Company of New Zealand, operating the Canadian-Australasian Royal Mail Line, now in Australian and New Zealand ports, are tied up because of the crews demanding Australian rates and conditions, which are higher than they are at present receiving.

"The Union Steamship Company took the drastic step of causing the arrest of thirty-one of the crew of the Waikawa and twenty-three firemen of the Moeraki for disobeying the commands of their officers. They were given fourteen days in jail."

POISONING RESPONSIBLE

Mild Form of Ptomaine Struck Down Staff of Lighthouse at Bird Rock

CHARLOTTETOWN, P.E.I., Nov. 15.—Poisoning resembling ptomaine, yet less acute was given here last night by medical men as the cause of the death of Acting Lighthouse-Keeper Albert Bourke, of Bird Rock, and the illness for more than a week of his four companions, two women and two men. The two women had recovered prior to their rescue and the men were said last night to be doing "fairly well."

The Time used is Pacific Standard, for the 120th Meridian west. It is counted from 0 to 24 hours, from midnight to midnight. The figures for height serve to distinguish High Water from Low Water. Where blanks occur in the tables, the tide rises or falls continuously during two successive tidal periods without turning.

The Height is in feet and tenths of a foot, above the average level of lower Low Water.

Esquimalt—To find the depth of water on the sill of the Drydock at any tide, add 18.9 feet to the height of High Water as above given.

FOR BARCLAY SOUND

The steamer Haleric, of the Bank Line, is expected from Seattle tomorrow en route to the West Coast. The vessel is to load fish at the Kildonana Cannery, Barclay Sound, for the Orient. The arrival of this ship marks the return of the Bank Line to transpacific routes. This British concern formerly maintained a cross Pacific service, but discontined it about twelve years ago.

STUART DOLLAR NEWS

The tug Sea Monarch has reached the rudderless Stuart Dollar and now has the cripple in tow for port. The vessels met one thousand miles out from Flattery, the Dollar having succeeded in creeping back some hundreds of miles with a jury rudder.

FAVOR GREAT WATERWAY

CHICAGO, Nov. 15.—The Farmers' National Grain Dealers' Association has endorsed the Great Lakes-St. Lawrence waterway. It was announced today at the organization's conference here.

SHIP TAKEN IN TOW

NEW YORK, Nov. 15.—The steamship West Hematite, bound from Hamburg to New Orleans, has been taken in tow by the steamer Saucon, after sending out distress signals. She carries a crew of 32.

MEET BELGIUM'S CLAIMS

PARIS, Nov. 15.—Germany today turned over the second instalment of treasury notes to meet Belgium's reparations claims under the decision of August 31 last. German reparations officials deposited with the reparations commission 55,000,000 gold marks worth of such notes, payable in Brussels, May 15, 1923.

The cash balance due today under the schedule of payment previously decided upon was 60,000,000 gold marks.

Ended Own Life

NORTH VANCOUVER, Nov. 15.—With his throat cut and a cup which had contained carbolic acid by his side, Jacob Noen, a Norwegian, aged 45, was found dead in his shack on the Lillooet Road this morning. He was last seen alive on Sunday, and the police believe he ended his life on that day. He had evidently taken the poison, as acid burns were noticeable on his face. Moen was not destitute, as about $60 was found in his clothes.

"Ooh! That CORN"

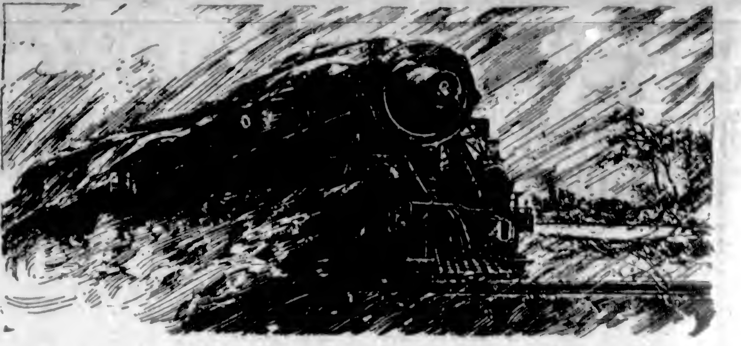
TAKE IT OUT SO THAT IT WON'T COME BACK

Don't merely cut the top off with a razor or burn it off with caustic lotions, plasters, etc. It doesn't do any good. It may do great harm by causing infection or even blood poisoning.

The business end of a corn is the root. That is what hurts when pressed on sensitive nerves, and it is the part you have to get out.

A good handful of Reudel Bath Saltrates dissolved in a gallon or so of hot water will soften corns and callouses, like water softens soap. Just soak them in this for a while, then take hold of the corn with your fingers, and out it will come root and all.

The refined Reudel Bath Saltrates costs very little, and any chemist will have it. A half-pound or so is sufficient to rid the whole family of all foot troubles.



You Never Ask
"Will the Train Run Today?"
You Have Learned to Depend Upon It

Think a moment how you depend upon Southern Pacific service.

When you are planning a trip on a day that proves to be cold, rainy or foggy, you never think of asking whether or not the train will run.

You know that it will go through as usual despite unfavorable conditions.

And you know, also, that in a very large percentage of cases, the Southern Pacific will take you to your destination right "on the dot."

Comfort, Too

SOUTHERN PACIFIC LINES

Almost as important as dependability, is the fact that Southern Pacific service means comfortable travel.

Club, observation and dining cars are available on many trains.

Southern Pacific men devote their thought and attention to serving you courteously, willingly and efficiently. They try to anticipate your desires.

Southern Pacific service is *your* service. Enjoy its comforts and profit by its efficiency.

MERVILLE SETTLERS PRESENT NEW PLAN

Meet Cabinet and Urge That Soldier Farmers Be Allowed to Get Off to a Fresh Start

"The time has come when something definite has got to be done at Merville to put the settlers there on their feet so that they can look after themselves and be relieved from the Government sucking bottle," declared a delegation representing settlers in the soldier settlement area, which waited upon the Provincial Cabinet yesterday morning and submitted a plan whereby the present method of supervision by the Provincial Land Settlement Board and the existing financial arrangements under which the settlers are operating, may be changed. Members of the delegation made an appeal to the Government to forget the past and allow the settlers to get off to a new start.

A resolution was presented on behalf of the settlers, which, after setting forth the past history of the arrangements between the Government and the settlers, and pointing to the fact that the Government, having found the cost of clearing too high and had stopped the work and instituted a system of providing small loans to settlers on the progressive system, which system also had proved a failure, went on to propose:

1. That a deed be given for each block of land and a mortgage be taken by the Government, payments to be made over a term of thirty years, with interest at six per cent, such payments of principal and interest to be amortised in twenty-five annual payments, the first of such payments to be due five years from the delivery of the farm to the settler.

2. That all places be valued by three competent farmers of the Comox Valley, one to be picked by the Merville Community Association, one by the Government, and the third by the other two.

3. That all those who have taken up unimproved farms be granted a loan up to $1,000 for buildings, and $1,000 for clearing so soon as he can prove to the valuators that he has done improvements to that value.

4. That each settler be entitled to a loan of $500 for stock, extended over twenty years, the Government to hold a chattel mortgage.

5. No loan to be granted under clauses three and four unless approved by the valuators.

6. Any settler who has an improved farm to be entitled to a loan not exceedng the amount specified in clauses three and four, providing he has not already received the same.

In the course of the brief discussion, the question of the cost of land clearing was referred to, and Premier Oliver declared that as a practical farmer he did not consider the value of cleared land in the section was $200 per acre. He promised consideration of the request just so soon as the business of the session would permit.

Following the interview the delegation, composed of Messrs. C. H. Piggott, R. Reekie, J. S. Crockett, R. U. Hurford, P. L. Anderton and A. Cleland, met Hon. E. D. Barrow, Minister of Agriculture, and discussed the proposals in greater detail.

DUBLIN, Nov. 15.—The electoral bill will be introduced in the Dail Eireann tomorrow. The bill provides that no policeman may be registered as a parliamentary elector, but Free State soldiers may not only vote but will be permitted to do so by mail or by proxy. Soldiers are the only persons given this privilege.

FEDERAL MEMBER VISITS NANAIMO

Mr. Dickie Explains to Board of Trade Members His Course as to Local Wants

NANAIMO, Nov. 15. — At the monthly meeting of the Board of Trade last evening, Mr. C. H. Dickie, federal member for the Nanaimo riding, addressed the members on matters pertaining to the city.

Mr. Dickie explained that since his election he had not, perhaps, been as closely in touch with Nanaimo as he might have been, and on the other hand Nanaimo had asked him for nothing. Regarding the question of harbor improvements, he had never been consulted, and he knew very little about the situation. The people of Nanaimo might have supposed that, seeing he was on the opposition, he could do very little, but he could assure them that his requests had received every consideration. It might be that the million dollar appropriation for the drydock at Esquimalt had been granted in deference to the wishes and demands of the big delegation that visited Ottawa, but he could say that he had done whatever was possible to help along the appropriation. In his opinion, if the credit for the continuation of the drydock scheme was due to any single man, it was due to Dr. Tolmie, who was extremely popular with every section of the House.

Referring to the question of improvements to the Nanaimo harbor, Mr. Dickie stated that he had not been consulted on the matter. He had no knowledge of what was wanted or what had been asked for. He had met Mr. T. B. Booth in Ottawa, and had worked with him to secure the appropriation for the Esquimalt dock, but Mr. Booth had never mentioned to him the question of an appropriation for the Nanaimo harbor, and he had never been told improvements were required.

After explaining the peculiar composition of the present House, he told how, in regard to better freight rates for British Columbia, they had been held up by the Progressive party. He asked the Board of Trade members present to rid themselves of any idea that he was actuated by any impression of having been ignored. He was the representative of Nanaimo, along with other communities in the riding, and he would do whatever he could to get its claims just consideration. He thought that as a matter of policy and courtesy the elected member should be approached out of deference to his position. He was perfectly willing to cooperate with Mr. Booth to get anything he could for Nanaimo. He had been misrepresented as to his attitude on the Asiatic question. As a matter of fact, he had voted for Asiatic exclusion, and had been complimented for his speech in the House on the question. He had also done his best to secure the best arrangements possible for the re-establishment of returned soldiers. So far as he was concerned, they could depend upon him doing his very best to secure any consideration from the Government which would be of benefit to Nanaimo.

At the conclusion of his address, a unanimous vote of thanks was tendered Mr. Dickie by members of the board.

WOMAN IS VICTIM OF GUN ACCIDENT

Jury's Finding in Case of Mrs. Westmoreland, of Boat Harbor, Who Met Death on Sunday

NANAIMO, Nov. 15. — Coroner Hickling held an inquest yesterday afternoon to inquire into the cause of the death of Mrs. Westmoreland, of Boat Harbor, who was struck by flying buckshot discharged from the gun of a hunter, while on her way home Sunday afternoon, and who succumbed later from the effects of the wound.

After hearing the evidence, the jury returned a verdict as follows:

"We, the coroner's jury, empanelled to inquire into the cause of the death of Elsie Westmoreland, after due consideration have come to the following conclusion: That on Sunday, November 12, at about 4:15 p.m., on the Corso-Holden Road, near Boat Harbor, James Pannell discharged a shotgun loaded with SSG shot at a pheasant which rose some forty yards to the west of the road, one pellet from the charge striking Elsie Westmoreland and ultimately causing her death at about 11:30 the same evening; and bring in a verdict of accidental death through the discharge of a shotgun in the hands of James Pannell."

ARMISTICE SERVICE

CHEMAINUS, Nov. 15.—The public service held at the War Memorial on Armistice Day, was attended by a large congregation of people from the surrounding and local districts. The First Chemainus Girl Guides and Brownies, Scouts and Wolf Cubs, all attended in uniform, and were lined up on the east and west sides of the Memorial. In front were the Sister Agnes Keyser and Porter Chapters of the I.O.D.E., and the big congregation. Seats had been placed to accommodate a great many. At the back of the Memorial were the organ, the clergy and the combined choirs of the district. The service opened by the singing of the National Anthem, followed by prayer by the Rev. E. M. Cook, pastor of Calvary Baptist Church. The Rev. R. D. Porter, rector of Chemainus, read a portion from Revelations. "O God, Our Help in Ages Past," was then sung, followed by a most forceful and interesting address by the Rev. F. L. Stephenson, rector of the Anglican Church, Ladysmith.

"God of Our Fathers, Known of Old," was then sung. The service closed with the Lord's Prayer and the blessing. Then followed the placing of the wreaths, of which there were a great many, on the memorial.

Following the service, the Sister Agnes Chapter, I.O.D.E., held a tea, at which Mrs. R. B. Halhed was presented with a life membership pin and card of that order by Mrs. James Cathcart, regent of the Chapter, and Mrs. Donald, secretary of the Chapter, addressed Mrs. Halhed.

The I.O.D.E. made altogether $50 with its poppies. The public school children sold them here, and Miss Winnie Palmer, at Crofton, unaided, sold over $10 worth.

LADIES' MUSICAL PRESENTS CLASSIC

Programme Given at Empress Hotel —Miss Margaret Campbell's Playing Outstanding

Schumann's compositions provided the matter for the November programme of the Ladies' Musical Club at the Empress Hotel last evening, and incidentally introduced a number of the younger musicians of the city to a delighted audience. Convened by Mrs. Herman Robertson, the programme consisted of a paper by Mme. Sanderson-Mongin, in which she told something of the composer and the different influences which came into his life, dwelling particularly on that happy phase of his career which followed his union with Clara Schumann, and during which he produced some of his most beautiful compositions. When she reached a certain point in her address the musical numbers were introduced to illustrate her reference to these. Miss Rita Ormiston opened the musical part of the programme by playing the "Novelette," a very beautiful work which revealed great understanding and an advanced technique on the part of the young player. Her style shows not only methodical and thoughtful tutorship, but a capacity for feeling.

Mrs. H. J. Davies next contributed a group of Schumann songs, "In May," very simple and very simply sung; and the "Clown Song," showing a great abandon of spirit, being favorites. There followed the outstanding feature of the evening, a group of piano numbers by Miss Margaret Campbell, a Victoria girl, who is destined to make her mark in the musical world if she continues to develop according to promise. She has a singularly mature musical comprehension, and in addition to a big technique and breadth of style, possesses a very individual and very beautiful tone. The "Finale from the Etudes Symphoniques" was played with delightful poise and dignity, a masterful left-hand technique being conspicuous throughout. Her playing of the "Romance in F" displayed a brilliant quality, and the love-poem which came as an encore brought out another phase of this same quality. Good hands, personality and real musicianship all show in Miss Campbell's playing.

Mrs. Harry Briggs sang a group of lovely Schumann things, the favorite of which may perhaps be singled out as "Devotion"; Miss Lucile Hall is one of the still younger pianists of the city, and much refinement and delicacy were shown in her playing of "The Prophet Bird." This was followed by the "Hunting Song." The concluding number of the programme was the "First Movement from Schumann's Concerto in A Minor," with Miss Young at the first piano and Mrs. Green at the second. This is a very ambitious work, but Miss Young's technique at its best is quite adequate, and for the major part she played with sure touch and a fine grasp of the needs of the piece.

The vocalists were accompanied very capably by Mrs. A. J. Gibson.

PLEA FAVORING CHIROPRACTIC BILL

Delegation Representing Chiropractic Defence League Urges Government to Pass Measure

In support of the bill now before the Legislature designed to give to chiropractors, bearing certificate of qualification from any recognised school of chiropractic, the right to carry on their profession in the Province, with the same liberties, safeguards and protection as are guaranteed by law to ordinary medical practitioners, a deputation of forty members of the British Columbia Chiropractic Defence League waited upon the Executive Council yesterday morning. Half of the delegation were women. Mr. J. B. Clearihue, Liberal member for Victoria, introduced the delegation.

Rev. William Stevenson, president of the league, presented a printed statement which, briefly, set forth that chiropractic as a science for the successful locating and treatment of causes of disease had demonstrated its value in millions of cases; that at present there are thirty-five qualified chiropractors practicing in British Columbia; that as the law of the Province now stands these practitioners are liable to fine and imprisonment, and, in a number of cases, have paid heavy fines and been sentenced to prison; that thousands of loyal British subjects in this Province have cause to feel deeply aggrieved at the injury done to them, in their just rights and liberties, by a law which legally deprives them of the right to consult the chiropractic doctor in their sickness, and it was further pointed out, in the United States twenty-four states have established straight chiropractic boards such as is being asked for in British Columbia.

Not Attacking Anyone

"We are a defence league and, are not attacking anyone," said Rev. Mr. Stevenson, who considered the bill a moderate one. The league was representative of thousands of people, he said.

Mr. Robert Burns, vice-president of the league, and representing the Vancouver City and Mainland branch, claimed public sympathy was behind the movement. Petitions signed by 20,000 people would be presented to the Legislature, he said.

Mr. William White, secretary of the league, did not think the medical fraternity was against the chiropractor nor the latter against the medical men.

The chiropractor will never take the medical examinaton, he declared, for they had found from better experience that with the best will in the world it was impossible for the medical men to set examinations in some branches of chiropractic science. If the Legislature did not see fit to pass the bill this year it would be found that, as in California, where two years ago a referendum on the subject was defeated, but this year one has carried by a majority of over 100,000, so would it be in British Columbia.

Mr. White read a resolution recently passed by the Victoria Trades and Labor Council favoring the measure now before the House.

Much Suffering Relieved

Mrs. F. Bullen declared, speaking for the women's standpoint, she had seen much suffering relieved by the chiropractors. If the science had done such harm as claimed, the offices of the medical practitioners would be crowded.

Mr. H. Helgerson, Sooke, also spoke strongly in support of the bill, which, he asserted, would result in a "blessing to humanity. It was the greatest discovery of the age."

In reply to the delegation, the Premier pointed out that the whole question had been gone into fully by a select committee of the House two years ago, and special legislation had been passed upon the report of that committee.

"You chiropractors have ignored that legislation. There has been nothing produced here today to show that that legislation was wrong. This is a matter largely of health and I don't feel competent to pass judgment as to whether this or that science of healing is the better," said the Premier, who pointed out that the bill now being introduced was not a Government one, but must be passed upon by the Legislature. He also stated the medical men would wait upon the executive and present their views.

SELECT COMMITTEE TO INVESTIGATE QUESTION

Mothers' Pensions Act to Be Subject of Inquiry by Legislature—Mrs. Ralph Smith Heard From

The amendment introduced by Premier Oliver calling for a select committee to investigate the administration of the Mothers' Pensions Act, especially in relation to wives or widows of returned soldiers, was sanctioned by the Legislature yesterday afternoon as against the motion by Canon Hinchliffe, second member for Victoria, criticising the Government on its attitude towards these dependents of returned soldiers. The vote was 30 to 13, the largest majority enjoyed by the Government for some considerable time.

Mr. Wallinger, Cranbrook, was paired with Mr. E. C. Henniger, Grand Forks. The select committee will consist of Messrs. Farris, Ian Mackenzie, Hinchliffe, Duncan and Mrs. Smith.

Yesterday's debate on the question was featured by a speech by Mrs. Ralph Smith, her first effort at this session, during which she criticised the attitude taken by Canon Hinchliffe in standing by his original motion even though, on Monday, he had begged leave to withdraw it following an amendment introduced by the Premier calling for select committee.

Canon Hinchliffe asked for a ruling from the Speaker, as to whether he was in order to close the debate.

Premier Oliver contended that he had already spoken on the motion and also the amendment, but this contention was ruled otherwise by Mr. Speaker Pauline.

It was quite natural, claimed Canon Hinchliffe, for the Premier to disapprove the manner in which the motion was brought about and he (the Premier) would have taken the same stand had he (Canon Hinchliffe) asked for a select committee. The Premier's contention that the Canadian Patriotic Fund widows or mothers are getting more than they would under the Mothers' Pension Act did not answer the question. It was not a question of the money received. After describing Hon. Mr. Manson as the "wizard of the North," who could blow hot or cold with the same breath, Canon Hinchliffe claimed that one fund (the Mothers' Pension Act) preserves the spirit of independence while the other killed that spirit. He stated that he was going to vote against the amendment.

Mrs. Ralph Smith and other members claimed that a woman should not feel ashamed of accepting aid from the Patriotic Fund or any similar fund. Any member who makes such charges as those made by the second member for Victoria, and then opposes a full investigation thereof, was no friend of the women and children.

Mrs. Smith was heated in her declamation as to "what would Jesus of Nazareth say if he were here?" There was no answer.

The amendment by Premier Oliver calling for the appointment of a select committee was then passed by a vote of 30 to 13, the same as the first vote.

Major Burde raised a point of order that a member in his seat must vote, referring to Mr. Wallinger, Conservative member for Cranbrook, who found himself in his seat although paired with Mr. E. C. Henninger, Liberal member for Grand Forks.

Hon. Mr. Sloan claimed that a member could announce to the Speaker that he was paired, but could also announce the way he would have voted.

Mr. M. B. Jackson, K.C., member for the Islands, urged that the way out of the difficulty would be for the Speaker to be affected by stigmatism and refuse "to see" the member for Cranbrook.

On the point of order being accepted by Mr. Speaker Pauline, Major Burde explained that he but wished to show to the Premier, the Leader of the Opposition and the Speaker that the members in his section of the chamber knew some of the rules.

A Sonora Masterpiece

THERE are lower priced Sonoras and more expensive Sonoras. The former, made to satisfy popular demand, represent greater value than phonographs of other manufacturers of the same price. The latter, the costly art model Sonoras, are made for those who want something exclusive—extraordinary cabinet work and design, extra long running motors, expensive, though not essential conveniences.

Between these two is a Sonora Masterpiece—the Queen Anne—sharing the advantages of both; low enough in price for the modest income, fine enough to grace the most palatial home. *Its tone is a startling revelation.*

"Advertising is to business as steam is to machinery"

THIS MAN
ONLY THOUGHT
HE TRIED

"I've tried advertising in the past—two or three times—and it didn't work." Such a man is just like one of the thousands of shooting stars—a spurt for a second and then it dies out. People pay little attention to them and they are instantly forgotten. The persistent advertiser is the one who gets there—he keeps at it, knowing that he will reach his desired destination of successful achievement. The services of this office are available at very moderate charges and its advice is free for the seeking. We write and place legitimate advertising in any part of the world.

HAVE YOU SEEN THIS?

If not, let us show it to you today. We know that you will agree with us that it is one of the most charming homes in the vicinity of Victoria.

A proper description of this delightful spot is impossible, so we only try to set forth a few of the many features.

THERE is a modern, up-to-the-minute 5-roomed bungalow, quite new, and all in excellent condition. Contains several large open fireplaces, panelling, beamed ceilings, built-in effects—there's nothing missing. Well-built garage. Large wood-lined barn, at present used as a fruit packing house, but could be used for almost any other purpose. The property comprises over an acre of excellent land, all cleared, and containing one of the finest collections of fruit trees on the Island. The trees are all full bearing, plums, apples, pears, peaches, prunes, cherries and other varieties. The orchard alone has netted the owner as much as $700 to $800 a year, so that, as well as being a most delightful home, it is also a good revenue-producing proposition. The owner is anxious to sell quickly, and has reduced the price accordingly. It's a snap for somebody.

Ask us for further particulars.

MARKED IMPROVEMENT IN FOREIGN BONDS

Downward Movement in Many Securities Under Pressure on Stock Market Checked Yesterday

NEW YORK, Nov. 15.—Railroad and industrial shares staged a quick rally in the early part of today's trading, and many standard issues, particularly in the industrials, moved up several points over yesterday's closing quotations. The downward movement in many securities that were under pressure yesterday was checked and short covering brought about a material improvement in the quotations and a good buying power was noted in the market.

The improvement in the foreign situation was reflected by the rise in French Government bonds, both the 7s and 8s of the external dollar loans gained more than two points and other foreign government bonds rose in sympathy.

In the domestic list the high grade rails and the Liberties showed substantial gains in the day's trading. Although trading was quiet in foreign exchanges and movements were irregular, a better feeling was quite evident in regard to the situation.

All money remained at 5 per cent throughout the day.

Total sales were 1,104,000, as against 1,386,700 yesterday.

Considering the remarkable strength of the greater portion of the list today, the heaviness of United States Government bonds was conspicuous. Declines running from two to forty cents per $100 bond were noted with the first and second 4s and third 4¼s suffering the largest losses.

The best show of strength was manifested by a broad list of foreign bonds which have recently exhibited acute weakness. Brazil 7s mounted four points, 7½s three, French 8s two; Paris, Lyons and Mediterranean 6s 2¾, and Tokio 5s, Bordeaux 6s, Lyons 6s and Marseilles 6s two to two and a quarter points each.

Improvements of a point or more were also registered by Czecho-Slovakia 8s, Prague 7½s and Brazil 8s, United Kingdom 5½s of 1937, Belgian 7½s, Brazil 8s, Dutch East Indies 6s of 1962, Seine 7s and Zurich 8s.

Total sales were $17,369,000.

WINNIPEG GRAIN MARKET

WINNIPEG, Nov. 15.—Further strength was displayed on the local wheat market today and at the close gains ranged from 1⅛ to 1⅝ cents. The undertone to the market is strong and there is steady buying by shippers and exporters.

All coarse grains ranged higher today, but there is little pressure and trading was not heavy.

LADY ASQUITHIAN IS BOTTOM OF THE POLL

Conservative Defeats Novelist's Son; Another Woman Candidate Defeated in East Toxteth Riding

LONDON, Nov. 15.—Lady Emmott, Asquithian Liberal, was at the bottom of the poll in Oldham, which returns two members. The Georgian, Sir E. Griggs, headed the list, polling 24,763. The laborite, W. J. Tout, was second with 24,434, capturing the seat from the Conservative, S. S. Methurst, by a few hundred votes. Lady Emmott's vote was 6,186.

Mr. B. Hall Caine Defeated

Mr. Berwent Hall Caine, the novelist's son and Labor candidate, was defeated in Reading, the Conservative candidate, Major Hon. E. Cadogan, retaining the seat.

Mr. Ben Tillet, Labor, retained his seat in the North division of Salford by a narrow margin, polling 11,368 against his Conservative opponent, Finburg, with 11,348.

Miss Eleanor Rathbone, Independent, was defeated for the East Toxteth division of Liverpool, polling 9,984 against 15,149 for the Conservative, Mr. J. H. Rankin.

NEW METHODIST PASTOR

Rev. Dr. Davies Appointed Interim Pastor of Centennial Church—Commence Duties Sunday

Rev. C. Davies, B.A., B.D., D.D., the new interim pastor selected at Tuesday night's meeting of the Quarterly Board, (Rev. Dr. Sipprell, president) for the Centennial Methodist Church, to fill the vacancy caused by the recent death of Rev. J. L. Batty, will assume his new duties next Sunday, when he will preach at the 31st anniversary services of the church.

Dr. Davies is a native of Birmingham, England, where he was born on December 3, 1889, and is an ordained clergyman of the Methodist Episcopal Church of the United States. He has held pastorates in the province of Saskatchewan, Canada, and in Iowa, North Dakota, Salt Lake City and Colorado, U.S.A. During the war Mr. Davies enlisted as a pilot in the Royal Air Force and received a commission. He is a member of the I.O.O.F. and a former Rotarian and Kiwanian, and served as president of the Ministerial Association while pastor in Salt Lake City. He has recently held an important pastorate at the Colorado State Normal College.

Dr. Davies has been a frequent visitor to Victoria, where, during the past eleven months his family has resided, coming here largely owing to the unsuitability of the Colorado climate.

COURT TRIUMPH HOLDS BAZAAR AND DANCE WITH GREAT SUCCESS

Members of Court Triumph convened a very successful sale of work yesterday afternoon in the A. O. F. Hall, which was followed in the evening by a most enjoyable dance and social.

The various stalls carried on a brisk sale during the afternoon, and the many dainty articles were eagerly purchased by visitors. Mrs. Lalonde and Mrs. Love were in charge of the plain sewing; Miss James and Mrs. Brown, of the spinning jenny and novelties; Miss Snow of the fancy work; Mrs. Johnson and Mrs. Holmes of the home cooking; Mrs. Law of the fish pond. Fortune telling was one of the chief features of interest, and Mrs. Anderson supplied excellent music during the bazaar, while Mrs. Schmelts played the dance music in the evening. Both the sale and dance were well attended by members and guests.

FIGHT EIGHT-HOUR BILL

Leaders of Industry Wait on Cabinet and Oppose Major Burde's Measure to Reduce Hours

Protest against Major R. J. Burde's eight-hour bill was voiced by over fifty representatives of British Columbia's chief industries at a meeting held with the Provincial Cabinet yesterday morning. Amendments to the Workmen's Compensation Act were also opposed.

The protests against the bill of the member for Alberni were similar to those made last year, it being urged that were the measure passed at this time, industry in the Province would be seriously handicapped in that it would afford an advantage to other provinces of the Dominion where such legislation does not as yet exist.

Mr. Burke, as spokesman for the delegation, mentioned the efforts made by the Government to secure a reduction in freight rates, referred to the fact that British Columbia produce has but limited markets, and to the effort being made to build up foreign trade, and to limit hours here when such were not limited elsewhere would place upon British Columbia industry a handicap against which it could not compete.

Representatives of various industries advanced substantially the same arguments, Mr. J. B. Thompson, Mr. F. W. Peters, general superintendent of the C.P.R., and other gentlemen taking part in the discussion.

Premier Oliver stated the bill was not a Government measure, and he suggested the members of the delegation should impress their opinions upon private members of the Legislature to the end that when the bill came before the House they would be seized of the viewpoint of the industrial leaders.

CATHOLIC WOMEN'S LEAGUE CONVENES

Meeting Decides That Gathering Next Month Will Take Form of Pound Party

The Catholic Women's League held its monthly meeting yesterday in the Knights of Columbus Hall, Government Street. An extract was read from The Guelph Courier and Advertiser, in which an interesting account of the conventions of the subdivision of Hamilton, Ont., held at Guelph, Ont., was recorded. Mrs. W. O. Story presided over the meeting.

An invitation was received from the Local Council of Women to a meeting which will be held in the medical library of the Campbell Building on November 23, at 8 p.m. Dr. Miller and others will speak.

Committees were appointed to arrange for a card party and dance; also for the Christmas tree. It was decided that the December meeting would take the form of a pound party, when donations of Christmas cheer will be received for hampers to be distributed through the Ladies' Aid.

Mrs. Hallam reported that the graves of soldiers in the Catholic portion of Ross Bay Cemetery had been suitably decorated on Armistice Day.

Tea was served following the business session. Rev. Father Wood was present.

NIGHT WATCHMAN HURT WHEN STRUCK BY AUTO

John Collins Knocked Down During Blinding Downpour of Rain—Taken to Jubilee Hospital

John Collins, night watchman for the Lemon, Gonnason Lumber Company, was knocked down last night at the corner of King's Road and Douglas Street by an automobile driven by Mr. Charles W. Jordan, an electrician, living at 2162 Somerset Avenue.

A call was turned in for the police and Collins was rushed to the Jubilee Hospital, where his injuries were reported to be not serious.

The accident occurred shortly after 12 o'clock, during a downpour of rain.

LONDON, Nov. 15.—Oxford, traditionally a Conservative seat, was won by the Liberal candidate, Mr. Frank Gray, in the British election today, who polled, 13,459, over the Conservative, Mr. J. A. Marriott, member of the late parliament, who polled 8,883.

"STEPPING HIGH" BEING REHEARSED

Revue to Be Presented at Pantages Being Prepared—Fifty Voices in Opening Chorus

The revue "Stepping High," which will be presented in Pantages Theatre on November 27, 28 and 29, in aid of the Billy Muir Citizens' Fund, held a very successful rehearsal last night, and the entire cast is loud in its praise for the able and businesslike manner in which the committee in charge is carrying on the big undertaking, in order to make it a financial success, and it is to this end that the citizens of Victoria are being appealed to.

Hon. John Hart and Mrs. Hart, and His Worship Mayor Marchant are among the patrons. The opening chorus of the revue, "The Wooden Soldiers," will be composed of fifty voices, and the song will be in keeping with "Stepping High," snappy and appealing. Mr. L. Smith, who has charge of the singing, says he is perfectly assured of splendid results. Mr. Foss will again don the black mask as a colored comedian. He is well known on the Keith circuit, as is also Mr. Bait working as his partner. Madam Vaida has given over her dancing studio for practices, and has instilled into the old Persian dances a new symbolism that will be beautifully portrayed, both in color and motion.

POPULAR STARS IN CONTRASTING PICTURE ROLES

A splendid contrast is afforded by Wanda Hawley and Rodolph Valentino, leading woman and star of "The Young Rajah," a Paramount picture coming to the Dominion Theatre next week. Miss Hawley is a blonde of the Dresden shepherdess variety; Valentino is, of course, dark and Latin in appearance. They make a very pleasing picture as lovers in this strange screen tale.

A moment of brilliancy, a mad tumult, a riot of color, of naked blades, of falling figures, of victors triumphant upon the throne they have usurped—that's your tiny revolution in the small Indian state.

A night of storm and fury in New England, and an old couple ready for bed; a knocking at the door; two dark men with a child standing dripping upon the threshold; jewels poured from a bag; stacks of banknotes—a farewell and a small and miserable Hindu lad who strives to hide his tears at parting from the only friend he has known—that's the story of the adoption.

The gift of prevision—he sees his own death—his own meeting with the girl he learns to love; but he is rescued by faithful retainers in the nick of time. Then he sees in a vision the marriage of himself and his beloved in Hindu fashion—with all the wealth of gogeous color and ceremony.

The vision of the battle in the clouds in the years of ancient Hindu history, when Arjuna, commanded by Krishna, slays father and brother for the good of the race, is one of the most striking things ever portrayed on the screen; the same for the heavenly meeting between Arjuna and Vishnu. And by clever double exposure, Valentino plays both roles.

PROGRAMME OF M. DUPRE'S ORGAN RECITAL SATURDAY

"PERJURY" FEATURE REMAINS AT COLUMBIA

William Farnum Makes Impressive Success in His Latest Drama—Showing Balance of Week

William Farnum, the most famous emotional actor on the screen, was a busy man during the filming of "Perjury," a William Fox superspecial, which will continue for the balance of the week at the Columbia Theatre. Not only did he have the most exciting role of his career, but in addition he had pledged himself, in a moment of enthusiasm, to assume managerial duties in connection with an enterprise launched by him and George C. Tyler. Besides all that, the Lambs had insisted upon making him Collie of the Christmas Gambol.

It was at the Lambs that the theatrical enterprise was launched. "Francis Wilson and De Wolf Hopper are loafing," remarked Tyler. "Let's revive 'Erminie' and put them to work."

William Farnum agreed, and the two stars were cast in the parts which made them famous many years ago. When all was arranged, Farnum informed Francis Wilson and De Wolf Hopper that they were to go to work, and that he was their manager. They agreed, and the revival of "Erminie" had a successful run at the Park Theatre, where later "Perjury" enjoyed its sensational special run.

As Collie for the Lambs, Farnum gave an act of "Cyrano de Bergerac," which made a great impression, especially upon those who never had seen the screen star on the speaking stage. Many members declared "Bill's Gambol" the most delightful ever given at the Lambs.

All of which William Farnum found very interesting; but, in addition to his work in "Perjury," it kept him pretty busy.

CAPITOL THEATRE His arms and legs tied, his head thrust in a sack, Thomas Meighan is thrown overboard during one of the most exciting scenes in "The Man Who Saw Tomorrow," his new Paramount picture, directed by Alfred Green, now being displayed at the Capitol Theatre. He escapes from his bindings and has it out with the villain before the day is over, however. He is seized on another occasion and fights three men for liberty, but finally succumbs and is imprisoned aboard a yacht. In his first meeting with the villain Mr. Meighan knocks the latter flat on the deck. At another time he is shot at by a woman who loves him, but believes he has scorned her and sentenced her to a living death, though he is innocently duped in the matter. The bullet kills a friend of his. This is just a little of the action that transpires during a series of episodes which make up one of the most thrilling and original screen stories in which Mr. Meighan has ever appeared. A cast of exceptional brilliance was chosen, with Leatrice Joy as leading woman. June Elvidge and Eva Novak are two other noted actresses who are cast for important roles. Theodore Roberts also is in the cast.

DOMINION THEATRE "If you want to represent apples on the screen, you're not going to be successful if you use the stuffed pincushion kind," says Mae Murray. "I am certainly a stickler for absolute truth when it comes to portrayal of inanimate objects. How else can one obtain realism? You can't fool the camera, try as hard as you will. And it's almost impossible to deceive the audience by substituting things." Miss Murray was talking about her production, "Broadway Rose," which is a Tiffany production, now at the Dominion Theatre. It is presented by Robert Z. Leonard and distributed by Metro. The story and scenario are by Edmund Goulding, the photography by Oliver T. Marsh and the art settings by Charles Cadwallader.

ROYAL VICTORIA Mr. Denham, manager of the Royal Victoria Theatre, offers "Hurricane's Gal" as the chief picture attraction for this week. In addition to this feature there is also one of the biggest novelty acts of the season in the person of Edna Wallace Hopper, who was a star in "Floradora," and a David Belasco beauty in the days of our grandmothers and grandfathers. Edna Wallace Hopper today presents the vitality, radiance and youthful appearance of a girl of 19, despite the fact that press and public claim her to be 61 years of age, a marvel of rejuvenation and preservation. At the Royal Victoria she tells how it was done and is being kept up. Her face was operated on and virtually lifted, the wrinkles smoothed out and the surplus skin tucked away. This is known as plastic surgery. Her wonderfully preserved body and physical condition she attributes to the right mental attitude toward life. The picture offering presents Dorothy Phillips, star of many Allen Holubar productions, who returns to the screen after an absence of several months, in "Hurricane's Gal," a First National attraction. Mr. Holubar both produced and directed this production. "Hurricane's Gal" is a big sea story in which Miss Phillips has the role of a wild untamed girl of the sea who inherited from her Irish father, a smuggler, a spirit of hate and lawlessness and from her mother the warm romantic blood of the Spanish. The picture is a real "thriller," containing much intensely dramatic action that is aided by a hydroplane, a destroyer and a big schooner. In the cast are Robert Ellis, Wallace Beery, Gertrude Astor, James O. Barrows, William Fong, Jack Donovan and Frances Raymond.

FAIRBANKS IN "THREE MUSKETEERS" COMING TO CAPITOL MONDAY

Predictions are being made that the screening of Alexander Dumas' immortal story, "The Three Musketeers," by Douglas Fairbanks at the Capitol Theatre next week, will stand forth as an epochal event and that it will popularize for all time the costume photoplay. Productions of this sort, even when based on the fictional writings of such masters as Dumas, have always been considered to be in "the danger zone," because it has never been established beyond question that the American public would receive the costume play with the same enthusiasm that has been accorded features more modern in locale and setting.

It has always been Fairbanks' contention, however, that any story sufficiently powerful and gripping in drama is bound to succeed.

"A popular picture nowadays," said the star, "must be logical; it must have comedy and pathos, but above all it must be human. Any story that is human will succeed regardless of whether the players wear wigs and short pants or are garbed in pajamas. Drama was the same in the Seventeenth Century as it is today. This may be the gasoline age of civilization, but it hasn't altered human emotions appreciably. People still laugh and cry and give vent to anger. And they are still inordinately curious. In fact, we progress because we are curious. People of today wonder if in the olden days kings and queens and dukes and lords were swayed by the same passions and emotions that now rule humanity. To satisfy in a measure this curiosity we have made a celluloid production of 'The Three Musketeers,' and we have crammed into it everything that is dramatic, instructive, human, amusing and entertaining. We have tried to twang every emotion in the human system, just as D'Artagnan did in his memoirs and as Dumas did in his great novel."

The best talent procurable has been called upon to help transcribe this great story to the aluminum sheet. Edward Knoblock, one of the greatest of contemporary playwrights, is responsible for adaptation, research and costumes, while to Fred Niblo goes the honor of directing the piece. Niblo, a born adventurer, has won distinction as a master in guiding the destinies of this type of play; he is said to have no peer. Arthur Edeson, rated as a genuine lens artist, is credited with the photography and is said to have achieved some effects which hitherto have been considered impossible.

FIFTY DOLLAR PRIZE

Competitors Invited to Write on Single Tax and Civic Economics

Only four more days remain for the receipt of contributions in the essay contest on "The Fallacy of Single Tax and Suggested Civic Economies." There is a prize of $50 offered for the best essay, the donor being a gentleman who desires to remain unknown.

All essays should be addressed to "Essay Contest," The Colonist, Victoria, B.C., and each should consist of approximately 1,000 words or less. The subject of single tax should be dealt with in the first part of the essay, and that relating to civic economies under a sub-head. The contest will be decided by a committee of three judges to be selected from the Rotary Club, the Chamber of Commerce and the Real Estate Exchange. All essays must be in by November 20, and the result of the competition will be published on or before November 30. The winning essay will be published in this newspaper.

TOPNOTCHER IS NOW AT PLAYHOUSE

One of Leading Successes of Reginald Hincks' Company Made First Appearance Last Night

Three "curtains" after the final act of "The Balkan Princess" testified last evening to the enthusiasm which the latest Playhouse production created in the audience. It is at least one of the two greatest successes the company has produced to date, and should book full houses every night. It has all the essential elements for popularity, good music and catchy melodies, abundance of comedy and humor, a pretty love story and beautiful scenery. Furthermore, the cast has been remarkably well assigned, and Mr. Reginald Hincks has another one-hundred per cent credit as the man who "potted" and produced this further London success, "The Balkan Princess."

From the standpoint of scenery alone the play merits seeing. Mr. Stewart Clark has created strikingly beautiful backgrounds for each of the acts, the first showing a country inn on the outskirts of Balaria, a little town set in a lovely mountain valley. This same scene at night is even more romantic with the lights twinkling in the windows of the distant chalets and the glamor of evening over the hills. The throne room of the palace, which is the setting of the final act, is a very effective setting for a colorful and moving picture, which loses nothing in beauty by being an imitation of the real thing.

A Cleverly Acted Play

The play opens in this little village on the outskirts of Balaria, with Miss Eva Hart as the Princess Stephanie, who is enjoying a holiday incognito. As it chances, there comes to the same resort the handsome Prince Boris of Matalia, an artist searching for rest as well as novelty. This last part is allotted to Mr. Maris Hale, and with two such talented actors to bear the chief parts in the cast the keynote of merit is sounded. Their parts, singly and in duet, are faultlessly carried. Of course, the Prince and Princess fall in love with each other, neither knowing who the other is. This is the sort of pretty romance that all the world loves, and both actors bring a pretty sense of the right sentiment for their various scenes together. Miss Hart, captivating and petite, finds a romantic foil in Mr. Hale, who makes a fine soldierly figure in a uniform which lacks nothing in the way of gold braid and epaulettes. Their voices went together admirably, and they were given ovations after their duets, particularly beautiful being "Dreaming" and "The Same Old Game." The final act contains the royal wedding, a scene fittingly brilliant and reaching a climax of glamor.

Among Miss Hart's outstanding solos were her "Anywhere," which is the Princess' admission of her love, and "Wonderful World," which she gives with full chorus. Both these revealed the remarkable sweetness and skill of her voice. Mr. Hale, whose return to the stage after a long absence was the occasion for a special mark of welcome from the audience, was in fine voice, his singing of "Wine of France," with the chorus, and "Soldier and Bohemia" being remarkably good.

Miss Peggy Lewis, comedienne, certainly deserves special mention for her inimitable comedy in the part of Rachel, the daughter of Aaron Brightstein. In full coster regalia, vastly be-feathered hat and all, she sustained her part with pertness, a pertness not without its moments of pathos, however, as witness her singing of "Second-Hand Rose." "Keep Your Weather Eye on Me," sung before the playlet, was also characteristically good. Bob Webb was a close second as comedian.

The remainder of the cast is very well chosen, Mr. Hincks taking the part of the Count Benedict; Mr. J. Gillan the role of "Radomir"; Marie McLaughlin, Olga; Lorna Greenshields as Tessa; Eileen Allwood as Tessa; and Frank Allwood as the landlord of the little inn.

The little one-act play which opens the programme is quite worthy of the Playhouse, the cast containing Mr. and Mrs. Allwood.

Mrs. Warn has a rather unusually heavy part to fill as pianist, and not only plays the accompaniments for duets and choruses throughout, but provides some delightful entr'act music.

The programme will be repeated for the balance of the week, with the usual Saturday matinee, and the talented people, all of whom are well-known Victorians, should at least receive the merited appreciation of packed houses.

HEART PALPITATED And Was Short of Breath
Through one cause or another a large majority of people are troubled, more or less, with some form of heart trouble.
Many people may be unaware of having anything wrong with their heart till some little excitement, overwork or worry starts it to palpitate and throb, skip beats, beat fast for a time and then so slow as to seem almost to stop, then it causes great anxiety and alarm.
To all such sufferers
Milburn's Heart and Nerve Pills
will give prompt and permanent relief. Mrs. Alice Bishop, 15 Hawthorne Ave., Hamilton, Ont., writes: "I take pleasure in recommending Milburn's Heart and Nerve Pills to all persons troubled as I had been.
"I suffered from palpitation of the heart and shortness of breath; my heart would skip beats, and in the night, at times, I would have to sit up to get my breath. I could not go up stairs without my heart fluttering, and my nerves were all unstrung, but since using your famous Pills, I have felt like a different person."

MARGARET JENKINS SCHOOL SCENE OF BIG SALE OF WORK

A very successful and well attended sale of work was held yesterday at the Margaret Jenkins School, which, in the unavoidable absence of Mrs. Jenkins, was formally declared open by Mrs. Gordon Smith. The net proceeds amounted to over $200.

A number of stalls were convened by different ladies: The doll stall, by Mrs. Freeman and Mrs. Gibson; vegetable stall, by Mrs. Holmes; plain work by Mrs. Denny, Mrs. Smith and Mrs. Waugh; home cooking, by Mrs. Tinker, Mrs. Hargraves, Mrs. Anderson, Mrs. Johnson and Mrs. Hyslop; candy, by Mrs. Havercroft and the senior girls of the school; girls' stall, by the senior girls of the school; fancy work stall, Mrs. Gatenby, Mrs. Fisher and Mrs. Cosworthy; afternoon tea, Mrs. Hartley and Mrs. Clark; ice cream, Mrs. Gibson and Mrs. Watson; fish pond, Mrs. Murdoch and Mrs. Armstrong; palmistry, Mrs. Sampson and Mrs. Lawson.

From Shawnigan Lake came a most acceptable gift in the form of a box of cards with cord attached, sent down by Mr. P. C. Thompson, a disabled ex-service man.

During the afternoon the guests enjoyed a splendid musical programme, which had been arranged for the affair.

A trip occupying three years and covering 150,277 miles taking travelogue movies was recently completed.
